Hurricane Matthew hit the island of Haiti today. Pastor Wiljean has yet to get in contact with all the pastors due to cell phone towers being down, however minimal damage is expected. Praise God!

No word yet on any injuries, at this point I only know of structural damage and praying this remains as so in the days to come. The worship center in Lacienne lost portions of it's roof and the goat shelter suffered damage as well. Major flooding in the area has probably wiped out all the crops we had growing.

The church up on the mountain top of Magayaube is my greatest concern. No word yet, but I can't imagine this community on top of a mountain is fairing well. No wind protection and tin for walls and roofs. You can imagine the scene.

Plans are being made to travel to Haiti to investigate the greatest needs where we will then report that back to you . Thank you for your prayers.

Pray for Grace in the rebuilding

"I see God at work in building the church in Haiti and I want to help," said Paul. Paul has been on a couple of trips with us and he wanted to help. He organized a 5K Billy Run for this October, gather sponsors and is promoting the race. THANK YOU Paul for all of your efforts. May God richly bless you for your heart to serve others.

Fennet - difference maker

Fennet is one of the college students that has been equipped with a chicken house and has been doing very well. He has been involved with starting three other houses and has been asked to supervise and train the leaders on

the chicken house that is being constructed for the church in Caracol.

Training of leaders to make disciples is one of the chief goals for THM and Fennet is one of our champions as he lives out Christ in serving others.

Give a gift in honor of that special person. Proceeds of the cards will go towards a purchase of a goat.

If you would like to help sell cards at your church or work, call me and we can talk about mailing you cards to sell.

Minimum donation for each card is \$10.00 and can be personalized on the inside.

Buy a goat for Christmas this year and change a life for families in need.
