

With Christ...

The church leaders in Haiti who we partner with are living out Christ. A recent conversation I had with Pastor Wiljean continues to surface. He was reflecting on the past several years of ministry work in Lacieenne when he focused on the minds of the people. He was telling me that Satan uses our minds to hold us captive, to keep us idle, and distracted; to keep us focused on anything but Christ. However, Wiljean sees that has changed! With Christ, **all things are possible**.

People in the village of Lacieenne are starting to use their minds to dream, too. To seek this God of the Lacieenne church. They dream too about what is possible. They are among a great cloud of witnesses to what God has done. They **see** water flowing from the ground, goats **multiplying** (over 75 **new** goats now!) their faith is awakening, and hope is alive. Believing they **can** do with what they have rather than thinking it will never work and doing nothing is ok. Captives are being set free. One of the applications of renewal; seek first the Kingdom of God, then all else will be added and multiplied (emphasis mine).

With Christ all things possible.

Serving together,

brian and kathy

DO NOT BE CONFORMED TO THIS WORLD, BUT BE TRANSFORMED BY THE RENEWAL OF YOUR MIND, THAT BY TESTING YOU MAY DISCERN WHAT IS THE WILL OF GOD, WHAT IS GOOD AND ACCEPTABLE AND PERFECT.

ROMANS 12:2

The church in Lacieenne is thriving. Christ is being preached and lives are being transformed. The church is a beacon of light. THM together with YOU are equipping the church to be Jesus to the village. When the church cares well for her body she is able to serve and meet needs. Joy and light is birthed and the devil flees... May the name JESUS be made famous, everywhere! Amen

THM partner update

We strive to do our best in communicating with you all that God is doing through our work together at THM. YOU, our partners and your willingness to serve make ministry happen. Thank you for locking arm with us to serve together.

One critical aspect of communication has been missing. Our Haitian friends would like to know about YOU. They pray for you, they tell me to tell you *thank you!* THANK YOU from Haiti! THM would like to provide a picture and short message from YOU our partners, families, and congregations that would like to participate in sharing with the church in Haiti your story ~ who you are and how God is moving in you. We will place your picture, name and message for our Haitian friends to post on their wall. A sweet reminder of your loving-kindness. Think of that day in heaven when you see each other and say, "I was praying and caring for YOU." One day...

Additionally, communication takes on many forms these days and we would like to take full advantage of it. In America we can do more than just post a photo on a rock wall. Do you Facebook? Do you prefer email newsletters? Do you listen to Podcasts? Can we text you prayer requests? You get the point. A partner survey has been added to your newsletter. Please complete the survey and mail it back to us. Lets communicate!

Lately I have been recording Podcasts. A fifteen to twenty-minute recording that you can listen to on your computer or smart phone. Podcasting provides more context and details of the ministry work than any newsletter ever could.

Lastly, newer forms of communication make it easier for you to share THM with your friends. A simple forward, post, like or send and voila, that simple and so helpful!

Prayer request:

- Our May and June teams raise all the support needed to complete their services projects.
- The Haitian church leaders minds be guarded in Christ as they dream of what is possible through Christ. (where there is change there is opposition)
- We can get water hammered up 1,200 feet to the mountain top church of Magauyave
- God will bring more partners to help us complete the mountain top goat farm at Magauyave. (300 goats supporting eight churches)

Thank you for all your support and prayers. We can't do this without YOU!

All gifts are tax-deductible and should be made payable to:
