Nov 2024

I will praise the name of God with a song; I will magnify him with thanksgiving.
Psalm; 69-30

Happy Thanksgiving

Last month we informed you, our partners, that the Pastors in the Central Plateau have elementary and trade schools being used as outreach and training their communities. They also desire to have projects that support the school operations.

Buying and reselling gas is one of the their primary ventures to do that.

This project has taken a giant step forward. We have a Haitian banking partner to fund AND monitor the loan to fund the gas business.

A large portion of the congregants within the 38 churches in the network, including the Central Plateau, deposit their savings with the bank of Open Door Church (CASOPO). That is the name of the church network. When the thousands of congregants deposit their savings at CASOPO, CASOPO makes that deposit at the Cap Haitian bank getting better terms than any individual.

CASOPO also lends that money out (1%) to church members for one to two years to start or expand their business. Contracts and terms are agreed upon for all loans. The submitted business plan is reviewed by a board of Directors of CASOPO and monthly reports and payments are required. More on this in the months to follow.

The Central Plateau Pastors are in discussions with CASOPO in structuring a loan for the expansion of their business to support the schools.

Next month we will have a broader look at the bank and it's leaders.

We are looking to raise \$10,000 to deposit with CASOPO to be lent out to church members to start or most likely expand an ongoing business for church members. The 10k investment will be lent out over and over again. Strengthening the church by providing for daily needs.

Shade Tree Ministry

Take a long, long look at this picture. IF you are following Christ for many decades what would you give today to have been a young man in this scene? To have among others, a retired Pastor (white baseball hat) speak into your life on a weekly basis? when you were 22? To have conversations, not just sermons, but rather deep and meaningful conversations that enhance the upward trajectory of the christian walk. Your support partners with us to continue that very thing.

Each Friday morning, a similar gathering occurs, but those gatherings have a lot more mighty men of God with silver hair.

17 For the kingdom of God is not a matter of eating and drinking but of righteousness and peace and joy in the Holy Spirit. 18 Whoever thus serves Christ is acceptable to God and approved by men. 19 So then let us pursue what makes for peace and for mutual upbuilding.
