

Multiplication includes YOU

God's plan is to use his people to be the hands and feet of Christ. To make disciples. To care for others. Partner with us and equip the Haitian church as they make disciples. Be the hands and feet ~ ask your friends to help.

If you are sufficient for your task, it's too small. - John Piper

Thousand Hills Ministry

God works through relationships ~ we need YOU

There is great wisdom in allowing local needs to initiate local ideas that sprout into solutions that YOU can partner with. Help complete the solution.

YOU are an influencer of change. Paul uses the analogy of the body to instill in us that it takes many different people to form the body of Christ.

THM needs YOU to take the lead within your sphere of influence, to rally your friends and move God's kingdom in Haiti. Take your willing heart to God and let him choose to do His work through you!

Look on the back of **your** invitation, read through all the local solutions, see parts of the body that God is leading you too and pick one to share with those you know who are like you,,, agents of change. Let's work together! Recruit a team of 10-14 people to provide Godly

multiplication. We will help you do it! Many teams have formed from one person going to their; home church, home group, business and presenting an opportunity to serve. An opportunity for the local body to serve together.

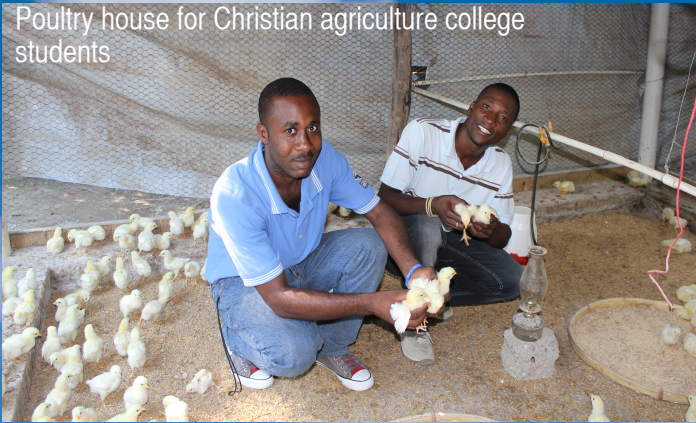

Trips are not single focused. It's not about building a poultry house... We encourage medical personal, teachers and construction people alike. God sends those He needs, place yourself out there, rally a team, and let God work. He will!

Is God asking YOU to be an organizer for His works that He has prepared in advance? Can we help you discern this?

Local solutions identified for 2015 ~ Haitian church ready to serve

Poultry house for Christian agriculture college students
