Looking up... looking forward

THM is committed to serving Haitian pastors- encouraging them with ministry support and economic tools that teach and show Christ and his love; imparting our talents to strengthen the body of Christ to bring fruitful ministries. God is moving~ in 2013 THM will construct two church buildings and four poultry houses. Together we see these ministry tools work hand in hand. We are trusting God to provide the resources and the missional teams necessary to achieve these goals. I invite YOU to be part of this journey of uniting with the Lord's poor and do them all the good you can. Join us in 2013! Pray, Give or Go! God is moving building his kingdom! Will you commit to prayerfully seeking God and where he wants to use you?

Pastor Jude - I met Pastor Jude eight years ago my heart has been forever marked with a continuing remembrance of his desire for God and his seeking of the welfare of his people. Today, Jude is called to leave one of the largest churches in Cap and plant a church in his wife's small hometown. He has been ministering there for a year and is seeing many put their faith in Christ. The church has outgrown the rental house they meet in~ THM in partnership with Living Hope together are raising \$12,000 for them to purchase the land and roughly \$65,000 for the building. Join us now as we coordinate missional teams to labor together~

Pastor Payot - My good friend Wilbert Merzilus introduced me to Pastor Payot this past summer~ together we installed a well on the land for his new church plant. Pastor Payot, the pastor of Redeemed Baptist Church for more than twenty years planted a sister church and shared with me God's vision given him for a church building and elementary school, with big gardens to help support the ministries; a vision we share! Joining God where he is at work bringing His word to this village of Haiti.

Pray, Give, Go! Do them all the good you can ~ God is moving. Let's minister together~ strengthen each other and serve the body of Christ seeing His Kingdom come everywhere.

Serving Christ, brian & kathy

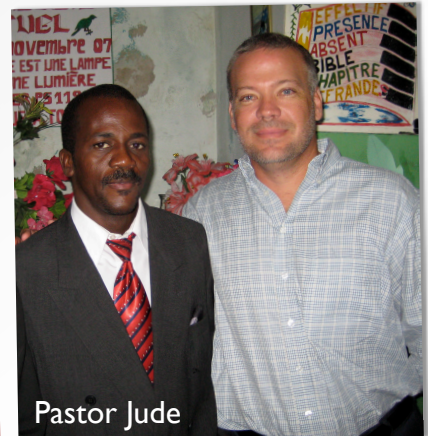

Pastor Payot

I will praise the name of
God with a song; I will
magnify him with
thanksgiving.

Ministry Updates

November Mission: Markham Woods Presbyterian Church sent a team back to Open Door, along with a few others, to further the work on the irrigation project which they started last year. The team worked hard alongside of their Haitian friends digging ditches, laying PVC pipe, and glueing valves. They also setup the computers in the in the new computer lab at the school. One person on the team (Steve Risley, pictured on right) asked if he could stay a few extra days to continue on, which he did. Steve's story continues to unfold as he later shared with me that he realized it was God who was asking him to stay in Haiti, not to dig ditches, but to get to know an Awesome God!

CHURCH PLANT

The month of November showed a lot of activity at the church plant in Hinche. The Open Door sister churches, Bois de Lance and Cap Hatian, sent construction teams to help build the walls of the new church building. This new building will seat over 400 people, and right now this new church is about at 400 members strong. The Spirit of God is moving!

MEDICAL CLINIC

In November the medical clinic was completed. A surgical suite and labor & delivery room have been finished. Now expectant mothers can deliver their babies in a safe and clean environment instead of on dirt floors. God continues to provide from a financial grant through The Hope Foundation. Recently, the Hope Foundation committed to an additional 5 year (\$200,000) grant to fund the clinic. They visited

the clinic last month with me, and were very impressed with the clinic and the care being provided.

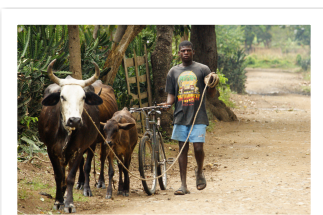

Game Boards for Sale

We have game boards and here is how you can help raise funds to support the school and feeding program. over 300 children enrolled in school at Open Door, and we need to raise funds to pay for the extra food. We have just under 200 children sponsored, so the burden to feed the additional children is a challenge. Just last month, God provided another ministry that will donate as much food as we need, (Yea God!) we just need to raise the funds to transport it. A game board purchase will help with that. See insert.

AGRICULTURE & LIVESTOCK

Please continue to pray with us with for the remainder 16 acres of land needed for our cattle. Last month, OD purchased 4+ acres of land with a donation received from Beautiful Feet International. We continue to trust God for the remaining funds. Thank you for praying.

Thank you for all your support and prayers.
