building faith

It's not what we do that matters, but what a sovereign God chooses to do through us. God doesn't want our success; he wants us!

The steady, faithful mission team arrived in Bois de Lance armed and ready to serve. The plans drawn, parts and supplies waiting for installation of solar powered electricity, the drilling of a new well and the installing of a water tower. A project certain to bless and also be a tool used through the church to demonstrate the goodness of Christ.

Taking inventory of the projects boxes and supplies revealed missing parts; critical parts, supplies that are not found on the island. Disappointment set in. After a long search I offered to go to the sea port where our container had been received in customs (3 weeks prior) and see if the boxes are there. The team battled thoughts of not being able to find the missing boxes; thoughts of not completing the task they came here to do were real. *Together, we prayed...*

"God, we trust you; you know where the missing boxes are, please show us."

HE did! We find all we need- HIM.... and sometimes missing parts. To God be the glory!

Thank you Palmercroft for sending this faithful team of engineers who love Jesus.

Thank you from many ~

The sound of cheers from the children and orphanage staff when the power came on was wild! They are grateful as well, they are in awe; never having had electricity before. John Renea was on hand, and he is thankful too! John has been given the job of managing this

new farm and the farms workers. THM extends *thank you's* to our partners who were the hands and feet in this work of love. We thank you for sharing your creativity and business savvy and especially your faith! May your faithfulness be multiplied in you and in Haiti and your reward in heaven be so.

Hinche farm ~

Our plan was to irrigate the farm, but now in God's providence we are working to provide water for hundreds of family gardens as well. Join us in praying for this new possibility. This is truly *village transformation*.

Thank you new supporters ~

God grew our family's monthly ministry support! We are grateful for your part in serving Christ through your generous giving to our family. We still have a monthly shortfall of \$1,000. Would you prayerfully consider becoming a supporter of our family?

Serving Christ, Brian

“Faith is to believe what you do not see; the reward of this faith is to see what you believe.”

Saint Augustine

“My plan is to have the farm provide for the orphanage expenses. This will encourage my people and create jobs. Very important to my people, to see that with God, all things possible. Thank you to everyone who helped on this project. May God bless you for helping.” Pastor Wiljean Compere
