Training Center Updates

Engaging - Teaching - Truth

July's mission team engages the Haiti student-leaders in an *overview of Genesis* and biblical teaching on *family counseling*. The passion and energy the students displayed was contagious. They were very eager to continue learning true, humble servitude and making disciples.

The students thirst for knowledge was also very evident during "*ask the teachers*", a time for Q&A. Good stuff!

Going Bananas

In February THM installed an irrigation system for the five acre banana tree farm. Thousands of trees are flourishing and its fruit will help support the training center.

This fall at harvest, village families will be paid to harvest the fruit, passing on the blessing to families in need.

Multiplication at work.

Ministry Opportunity

We need **YOU!** Please, share our THM/Haiti partnership with your friends, family and church. Brian is available to speak at your church and share all that God is doing on the ground in Haiti.

The men/students, pictured above are inviting you to play your part in positioning them to be a Godly servant, like Jesus, and they say **THANK YOU!**

Third goat farm launched ~
Grand Ravine

Pastor Wilner leading the team

designed and built.

"They do so much with what little they have", he told our team.

Nice job Pastor Wilner!

Our third birth - The leaders of the church in Grand Ravine were very encouraged to have part of our July team invest and help build their goat shelter. The shelter will be home to many goats that will support the church elementary school in Grand Ravine. One of our team members is a general contractor in Florida, and he was so proud of how well the structure was

Prayer requests -

- Expanding advisory board members in Florida
- Additional US partner churches
- Brian traveling to Phx in October to expand our partnership base
- Kathy's mom (Rosemary) breast cancer surgery, Kathy travels to Phx end of August. We covet your prayers in all needs
- Financial support needed for growing ministry
- Our accountant retired, we need a new team member; do you know anyone who may be interested

We are so thankful for You, our partners; we can't do this work with out YOU. God is moving in His church. God bless, YOU! The THM team

Bree meeting Pastor Oclane

We are finding ourselves cheering for Bree from a different sideline these days. Giving-up competitive sports she is pursuing God in a personal way and her mission trip to Haiti in June has stirred her heart even deeper in this pursuit. Bree is in her final year of high school and turning 18 in just a few weeks. Having a lot of questions about this new season she has committed to lead a small group of young ladies to do life together in a way that loves and looks like Jesus. Meeting each week for a time to connect, re-adjust and re-fuel, this group of young ladies are loving and looking like Jesus. Please, join us praying for these young ladies.

Thank you for all your support and prayers. We can't do this without YOU!
