The church - leading the way

Dear reader, together we launched our third goat farm in Grand Ravine late 2017, to help support the church school.

The school is now **100% supported** by the goat farm. Praise God!!! The church **also** has **exponentially more** resources (goats being tithed) so she can serve well.

Pastor Destilien and his team have done a tremendous job in planning, building and stewarding all of the resources it takes to serve the community.

The people in the village see God using the **global church** and **local leaders** to bring this about.

The farm:

- provides a pregnant female goat to all the parents with children in the school (approx 150 students) giving

Pastors of the Grand Ravine church and school.
The school principal on the far left

them the means of paying school tuition, with baby goats

- families that received a goat, also tithe some of the babies to the church

Pastor Destilien told me that what is most important is that his people see that **God** has provided. **God** is working. **God** answers prayer. That produces hope. People filled with **hope in God** is sooo encouraging to Pastor Destilien and his leadership team.

Jesus working here and now through the hands of his **church** to fight the spiritual battle taking place in Grand Ravine, Haiti.

GRAND RAVINE SCHOOL EXPANSION

Launching second phase of the church school- The Classrooms!

The Haitian church leaders would like to complete a partially constructed building on their grounds (picture right & left) as the location for all the classrooms.

Please consider how your church body can invest in stewarding where God is moving this community of believers and those yet to believe. You are invited to join THM, see first hand God moving growing His Kingdom on earth! amen
