News from the field

Planting trees

1000 Banana trees

Last month I told you about the creekside garden in Magauyave, well the banks of the creek have been cleared and the farmers have begun to plant 1000 banana trees THM has provided. In six months, fruit will start to bear. Food for the people and leaves for the goats.

The irrigation well is... solar powered

Irrigation projects

The solar system that was installed in May is now charging a wagon that holds batteries to power the irrigation well pump. They were VERY excited to now dream of how else to use portable power. Transformation!

"I am preaching the word of God and we see God moving"
Pastor Odimond - Magauyave

Heal the sick who are there and say to them, 'The kingdom of God has come near to you.' Luke 10:9

Living in generational poverty on the top of a remote mountain in Magauyave, Haiti is where Mamise and her husband, Oanier are raising their children. Oanier has been chosen to be one of the seven shepherds overseeing the large goat herd. Oanier just received his first months pay last month.; his *first ever monthly* paycheck.

I asked Mamise what a paying job meant to her family and she vaguely said it's good. I was hoping for a more exuberant reply but my follow up question reveled something

deeper. I asked what her family would do next year when they sold an offspring from the goat they received (about \$100 US) and she paused for a long time. She finally said, *"I have no idea; I never thought that big or that far off."* WOW!

Oanier and Mamise are following Christ, as they work-out the renewal of their mind. Not conforming to the patterns of this world and the lies Satan spews at them. Lies that crush hope, hope in Christ, and hope that things can change.

Thank you, partners! Your generous financial resources and training you give through THM are making a powerful difference! Thank you on behalf of Oanier & Mamise, and all the people of Magauyave.

The Kingdom has indeed come!

New Heights team & shepherds

Investing in Gods word and His people comes in many different forms. Last month, a team from New Heights Church made a sizable investment in Gods kingdom.

Several months ago the leaders of the Lacienne church asked us to help them reach the children of the village with a VBS. Vacation Bible School.

Who doesn't love a vacation?

Lacienne had it's first ever VBS. Two-hundred and fifty giggling and wiggling children attended. The children were provided two meals each day, sang songs - learned memory verses, and played games. This team witnessed God touch the hearts

of many children with his love and his word; what a delight they were in loving on 250 children demonstrating the love of Jesus.

The team brought new sound equipment with them: speakers, sound board, microphones, and instruments. The Haitian leaders were overjoyed! People could literally hear for miles the joyful noise made in the worship center as the sounds echoed off the mountainsides.

The the Magauyave goat farm also received an investment from this team. Over \$8,000 was raised in part to build shelters and to purchase goats. WOW! Thank you NHC!

During the Sunday message Pastor Wiljean was talking about baptism and two team members felt that pull on their heart. They asked to be baptized in Haiti. The planning of the celebration ensued. Dresses were made out of bed sheets and rocks hand painted to commemorate the occasion.

A rock quarry filled with water was just up the road so Monday afternoon, Pastors Wiljean and Lucas baptized two young ladies. We all celebrated together new life in Christ and the expansion of the church.

What a glorious celebration!

Thank you for all your support and prayers. We can't do this without YOU!
