

Dearest Friends,

How grateful we are for you! Thank you for your faithful support and prayers for our family and your partnership as we fulfill the Great Commission in Haiti. Your encouragement and support has allowed us to faithfully serve Christ and His church both in Haiti and here in the states as we build God's kingdom.

Over the past three years our work and ministry at Open Door has experienced God's abundant blessing in the church and the surrounding community of Bois de Lance. God has also blessed our family with the financial support we needed to continue in this work, and we are continually humbled by His faithfulness to provide for our needs. This year, we have seen our financial support drop; at first slowly, but now it is at a critically low level. This may be a result of "tough-times" here in our country, it could be a trial of our faith and commitment to His calling, or -- as God often weaves in the circumstances of our lives -- it could be both.

We still believe God is calling us to serve in Haiti. We still believe God will provide for our family. We are not going to be discouraged or retreat. We do need your support and prayers more than ever. Together, we appeal to you to go with us to God in prayer and ask Him to provide ministry partners to commit financially to our family as we continue to work.

Leaning into Him,

*Brian & Kathy*

Thank you for all your support and prayers. We can't do this without YOU!
