Seventh year of Seminary

Brian -John - Andy

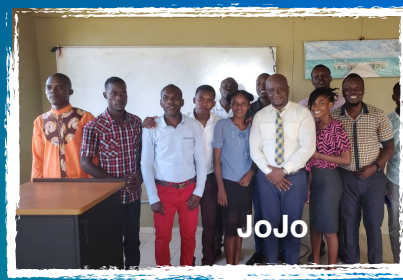

Trade Schools

Praise God from whom all blessings flow.

This month Brian traveled to New Jersey to visit his friend Andy he met on his first trip to Haiti in 2002. Andy volunteers at Servants Heart, a huge trade school in Jersey and they spent time together discovering any possibilities of partnership.

We have two schools in Haiti teaching young adults a life skill to help supports themselves and the trade schools.

Pray for God favor from this trip.

JoJo

Now a teacher

JoJo Paulimus was a student at the seminary who graduated several years ago. THM partners supported him in obtaining his masters degree from the Univ of Emmaus in Cap Haitian.

JoJo, a Pastor at a nearby church, also teaches Systematic Theology to the third year students. Making disciples to make disciples is a biblical principal working out here at the seminary.

PLEASE consider investing in teachers like JoJo.

Haiti & Florida - Ministry Happens

A picture tells a thousand words

Watching the Spirit of God move through the gathering one Friday after one man told his testimony for the first time in his life. He is not pictured below. He is over 65 and for the first time felt led to share. The blessings that flowed out from that is so encouraging. That same mourning, that testimony led to another to share and a break through occurred. A break through led to an embrace of love and support.

Intentionally seeking God in a community is biblical, and fruitful.

We have **outgrown** the deck on Friday's and there are men who can't make a 9am gathering. Soooo... We host **our first Wednesday night gathering, October 2nd.** Praise Jesus.

Shade Tree now has a men's gathering in Central Florida on Wed, Thur and Fri.

The vision is to have a safe place for the mighty men of God to gather Mon-Fri.

Thank you for all your support and prayers. We can't do this without YOU!
