

## Ministry Update for the Browns July 2023

### A HEARTFELT ROAD TRIP

The month of June found us having the opportunity to visit some of our long time supporters. In ten days we connected with over 40 different individuals and families to communicate to them how grateful we are for their partnership in prayer and financial support! We hit Washington DC, Baltimore, NYC, Boston, NH, Rochester, Cleveland and Cincinnati! We also got connect with our former Boston students (pictured on top of letter). It was so great to see them after many years!

## DOWNTOWN WITH THE BROWNS

## SUMMER CRU, NEAR AND FAR!

Summer is now in full swing, and our staff, student leaders, and involved students scattered throughout the whole world! The Lord has called us to all different contexts. Some have gone home, some have gone on Cru summer missions, and some have remained in Lynchburg with us!

### HOMeward BOUND

Azekah Masih (on left), Liberty Cru president, has spent the summer with her family back in Upstate New York, ministering to them and serving in the name of Jesus!

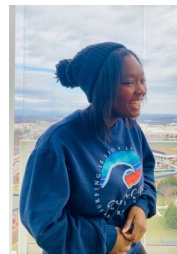

### OVERSEAS MISSION

Meet Emma Pope (center)! Emma traveled with Jena to Sweden this March and then decided to commit her summer to sharing the gospel in Toulouse, France. She and one other Liberty student joined a team of other college students to share the Gospel in France.

### STATESIDE SUMMER MISSION

Jasmin (with pink lei), a Randolph College student, committed to spending 10 weeks in Ocean City, MD, one of Cru's longest running Summer Missions! Jasmin uses her job to build relationships and share the gospel. Jasmin is the first from Randolph to ever go on a Summer Mission!

### LYNCHBURG LOCAL

Zyaiah Harvey, also a Liberty student president, is home this summer and participating in our "Summer Cru." Very similar to what we do during the school year, we are providing dinner for students on Monday nights, followed by a "Names of God" video study and discussion (Teaching by RC Sproul!).

Whether home with family, serving on a domestic or international mission trip, or staying in Lynchburg, we are so proud of our students and the steps of faith they are taking this summer!

### Visiting Family

We had a nice visit with my Grandmother and Mother while passing through Rochester, NY. We had not seen my Grandmother in person in many years due to the pandemic. She will be 100 in October!

## PRAY FOR THE BROWNS

- Please pray for Lynchburg students on mission in places like France, Ocean City MD, Greece, Estonia, and Thailand! Pray that they would be encouraged even as they are an encouragement to those they are serving and sharing the gospel with.
- Please pray for summer Cru! Pray for our small group to enjoy connecting to the Scriptures, as well as grow in fellowship with one another.
- Please pray for our endeavors this summer as we expand our ministry partner team, and pray that we would be able to communicate to our partners how significant a role they play in this ministry!

*The Lord is not slow in keeping His promise as some understand slowness. Instead He is patient with you, not wanting anyone to perish, but everyone to come to repentance.—2 Peter 3:9*
