

# Downtown With The Browns: Lynchburg Cru, a Worldwide Movement!

Teams of students from Lynchburg bringing the gospel across the world!

March 2024

This past spring break we were blessed to send FOUR teams of over 60 people to bring the gospel to the world from Lynchburg Cru: Orebro, Sweden; Gothenburg, Sweden; Puerta Plata, Dominican Republic; and Panama City Beach, FL!

**Panama City Beach:** PCB saw the largest group from LYH attend in years: 35 staff and students (and 1 staff kid!) representing Lynchburg Cru drove the 12 hours down to share the gospel with spring breakers. The conference in total saw 110 people come to Christ with 20 of those being decisions made with students and staff from Lynchburg! ALSO: Jena ran into six Christian women who wanted to learn how to share their faith and trained them on several of our evangelistic tools that they shared upon their return to Tennessee Tech!

**Orebro:** Charissa, one of our team members who had previously served in Sweden, led the trip with her husband Jake and got to reconnect with one of their former contacts who had been an atheist and seemingly had no interest in God but he is now **ON FIRE** for Jesus! He is now a part of the movement in Orebro and regularly shares his faith. ALSO: Dr. Towles, our Liberty faculty advisor, was able to attend the trip -- he loved it! We are hoping this will lead to a greater faculty connection to our trips.

**Gothenburg:** The team was able to connect with a man named Samuel who talked about being a part of an Alpha class, and inviting his friend Simoin that he had been praying for for 2 ½ years. While out sharing in the park the team ran into Simon COMPLETELY RANDOMLY who then decided to come to the class! This is in a city of over 600,000 people! ALSO: our two trip leaders are considering becoming full time staff in Sweden! Many of the students from both Sweden trips want to go back for another trip and a few want to be interns after they graduate in a year!

**Dominican Republic:** Although there was withheld luggage, missed flights, and illness, most students who attended this trip with Filter of Hope said this was the best week of their lives! The team worked with the local church to enter into the community to distribute filters and share the good news of Jesus Christ. In just one short week, through our team 219 filters were installed, 333 people heard the gospel, and **51 people placed their faith in Jesus Christ!** The filters that were installed will provide clean water for 10 years and can produce up to 250 gallons per day!

## PRAYER REQUESTS

- Praise God for the way He used the four trips in the lives of not only those our students met with, but our students themselves.
- Pray for our students to continue being inspired to share their faith.
- Pray for our upcoming Vision Dinner! We would love YOU to join us. Register and learn more at [lynchburgcru.com/visiondinner](http://lynchburgcru.com/visiondinner) and learn more!
