## FALL RETREAT PHOTOS

We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us.

# DOWNTOWN WITH THE BROWNS

## FALL RETREAT 2010

This year's fall retreat took place on beautiful Lake Winnepesaukee. There were 216 students (an all-time record) that left the commotion of school and the urban framework of Boston to enjoy fellowship, great teaching from Dr. Greg Ganssle, and beautiful scenery. Students got opportunities to worship (with amazingly talented musicians from Berklee), kayak on the waterfront with friends, enjoy outdoor picnics and compete in a Hub-wide Olympics that included a dance off and Spam eating contest.

A highlight for Jena on the retreat was leading an optional prayer time for students on Saturday morning. Last year, she led the time and was surprised to see a dozen or so students attend; this year she was **OVERWHELMED** to find almost **a hundred students** up at 7AM, ready to worship the Lord and begin their day by acknowledging Him. Boston students are hungry for more of Christ in their lives! The time was filled with singing, thanks-

giving and prayer for the 45 campuses in the Boston area, as well as the city itself. Students in Jena's group prayed that they would leave the city better off than when they had first entered it.

## NEW ASSIGNMENT: MIT

We have both added a new campus this semester. We are now spending a few hours per week building into a few students at MIT. Jena is currently discipling the student leader of the Impact Group at MIT. Impact is a sister ministry of Campus Crusade for students of African descent. Andrew is helping to reach the men of New House dormitory through a Life Group Bible study.

## PRAY FOR THE BROWNS

- Please pray for the kids' school, the Roger Clap Elementary. The BPS has slated it to close effective June 2011. Pray that the decision would be revoked if it is God's will, or that the Lord would direct us to what route we ought to take regarding the kids' education.
- Praise God that we have a donor who has come forward to scholarship twenty of our students to the Boston Winter Conference, making it possible for them to attend.
- Pray that the students we work with at Bunker Hill, UMass Boston, Roxbury CC, and MIT would learn to trust Jesus with every area of their lives.

*We are grateful to live out 1 Thessalonians 2:8 with you!*

Love,  
Andrew, Jena, Olivia & Logan Brown
