

Browns Ministry Update
August 2021

PRAY FOR CRU HIGH SCHOOL!

Cru High School is back! We kicked off our meetings with our Monday Night Family Dinner and presented the gospel using "The Four," an easy way to share the good news! Students then got opportunities to practice sharing with one another, which was challenging but fun.

We have the opportunity to be in EC Glass doing in person meetings before school! Logan has assumed the role of president and will be leading those meetings. They will consist of a devotional, announcements, and of course, home baked goods! Please pray that the meetings will be well attended and Logan will lead with confidence.

We also have an opportunity with Blue Ridge Baptist Church to connect with their youth group and invite them to Cru High School. We have been praying for an opportunity to build a movement at Jefferson Forest High School, where many BRBC students attend. Please pray that we would be able to serve those students. We are praying for ten new students!

DOWNTOWN WITH THE BROWNS

THE PRAYER EDITION: JOIN US IN SEEKING HIS FAVOR IN LYH!

It's the start of the semester again! We are back at it serving at Lynchburg's schools, and unlike last year, this year we have in-person access to every campus context and high school! We praise God for this window of opportunity, and, while still taking precautions to be healthy and safe, we are busy doing what we can to connect students to Cru, so that everyone can know someone that truly follows Jesus.

Theologian DAT Pierson is famously quoted as saying, "There has never been a spiritual awakening in any country or locality that did not begin in united prayer. Please join us in praying for our students! The following are requests that we are seeking the Lord for. We ask that you join us in interceding on behalf of these precious students!"

The University of Lynchburg has few opportunities for Christian students' growth and development, and the general atmosphere could be defined as spiritually apathetic. *Prayer Request: Revival!*

Because they were online last year, Randolph College is a ministry that needs to be almost completely rebuilt. We have a handful of students that we are training to re-launch the ministry there. *Prayer request: 5 students who would take up leadership roles! We currently have two. Pray for God to provide 3 more!*

CVCC was also online last year, which diminished attendance, and graduated out our last students in the spring. We are completely re-launching there. *Prayer request: a regular gathering of 20 students this semester!*

Virginia University of Lynchburg, although having students live on campus, is not holding in person classes or allowing outside student access.

Prayer request: For the Lord to reverse that decision and for us to meet the spiritual needs of those students!

And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people. —Ephesians 6:18

Sweet Briar College is another re-launch, with all our involved students having graduated or transferred last May. As SBC is farther away, and as we are a smaller staff team this year, we are seeking the Lord to determine whether or not to hit pause there this semester.

Prayer request: That the Lord would confirm how we proceed there based upon our reception at their Spiritual Life Fair 9/9!

Liberty University holds so much potential for us to build up our local movements as well as send students overseas on mission trips and internships.

Prayer request: That the Lord would bless our initial tabling event 9/1 and bring us a movement with 50 at our weekly meeting!

If you are a numbers person, here are some goals you can be praying for us:

Involved students:

LU: 65	RC: 20
UofL: 25	VUL: 30
SBC: 8	HS: 20
CVCC: 25	

Students to Fall Retreat: 100

New Believers: 10

Students to go on Winter/Spring Break Trips: 50

Thank you for joining us in prayer! We are so grateful for your partnership!

With love, Andrew, Jena, Olivia, Logan and Samuel
