

FAITHFUL

Lakewood High School

Because of the increase in our staff team, we are now able to reach out to new high schools in the local area. Last year, we only had one student involved in our ministry that was enrolled at

Lakewood High School (LHS). This year, the Lord has blessed our ministry and LHS is now becoming our 4th campus with a weekly movement. While only two of the ten regularly attending students are Christians, the rest return because of the love and community. Please remain in prayer that the Lord would move in their hearts.

Hillsong Church of L.A.

This year, the Hillsong church planted it's 12th location in the city of Los Angeles. Since they are producing a Hillsong movie, the church decided to host a concert in order to record footage for the film. Because of their generosity, Cru High School received 50 free tickets to the event to use as an outreach opportunity. I initially thought our inner-city students wouldn't like the worship music. While the songs were nothing like what they listened to, the concert caused them to think about, and even redefine, what music they listened to. In my own bible study group, they all requested me to play songs for our weekly meetings.

The Bible Study

You'll remember that Damian and Anthony accepted Christ at our summer conference in June. Damian's brother Chris and their cousin Tony also accepted Jesus through my weekly Bible study. In the past four months, the Lord hasn't relented in changing their hearts. Damian, now graduated, is now volunteering with Cru. The Lord used Damian to start the bible study and Damian also lead the other three in the prayer to accept Christ. Tony, Anthony, and Chris are now attend the high school group at my church, 1BL, while Damian attends the main service with me. I am so thankful that they are all allowing God to move in every part of their lives from how they speak to their parents, to the music they listen to. Every Monday, they gather to learn about God's word at my Bible study. With how much I learn from them, I feel as if they are the teachers.

I cannot thank you enough for your continued prayer and support of God's ministry in Long Beach. I pray that this letter would encourage you in your faith, and that God would continue to move in your life as well. God Bless!

- Brandt
