

MISSION TRIPS

Mission Team Leaders

During the past few months, our team has been blessed with the opportunity to see many familiar faces in our own city. In March, the mission team leaders came from all over the US in order to see our ministry first hand. With the extra man power, we decided to hold a rally at Poly High School. By time it was over, we had over 100 intentional conversations and 15 students indicated that they had received Christ!

At the end of April, we were blessed yet again to receive an entire team of men and women from a mission trip sent by Calvary Chapel in Chattanooga! Unfortunately, many of our efforts to have our meeting were offset by bad circumstances. Thankfully, God is bigger than our problems, cleared a way, and we had over 150 students show up to the meeting!

On a more personal note, the lord has been restructuring my life in an amazing way. He has brought to my attention many blind spots that I wasn't even aware of. As of late, the Lord has been gracefully teaching me what it means to be loving towards others and also what it truly means to be intentional and consistent with students. With so many things happening at once, I know that it is only by His grace and power that I am making it through each day.

Lastly, I again wanted to thank you all for your prayers and support of this mission. It is clear that the Lord is moving in this city and you help me personally be a part of it. If there is anything that I can be praying for you in return, please feel free to contact me at any time! I would love to know how you are doing. God Bless!

“Look among the nations, and see; wonder and be astounded. For I am doing a work in your days that you would not believe if told.” - Habakkuk 1:5

PLEASE PRAY FOR...

- Students as we continue to share the Gospel
- Follow-up from this week as we reconnect with students. Not for numbers, but for deep intentional relationships to be formed.
- Support as I still have 40% monthly to raise
