

CRU HIGH SCHOOL LOS ANGELES

THE MONTH OF OCTOBER

“Look among the nations, and see; wonder and be astounded. For I am doing a work in your days that you would not believe if told.”

Habakkuk 1:5

But seek first the kingdom of God and his righteousness, and all these things will be added to you. Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Sufficient for the day is its own trouble.

Matthew 6:33-34

THE MISSIONARY

Moving to California has without doubt been a challenge as I have had to readjust to a completely different style of life. When I experienced a problem, I would rely on my own ability in order to overcome it. Through living here and Matthew 6, the Lord is teaching me to rely on Him and that my worry reflects my view of God. Small prayers reflect the view of a small God.

Since living here, Satan has not relented in his pursuit of spiritual warfare to afflict our team. Fortunately, with God on our side, we have nothing to fear. In every trial that I have chosen to trust unto God, He always provides in a way more abundant than I needed, in a way I did not expect, and with timing I couldn't have anticipated. I am inexplicably blessed to be a part of God's mission, and to see Him move daily.

THE MISSION

As we told local churches of our plan to evangelize on campus with students, they responded that it would be impossible to even get on to school grounds. Within 2 weeks of being here, God connected us with a man named Herm. Herm has been

the campus chaplain for over 12 years and invited us to start coming to Polytechnic High School for Fellowship of Christian Athletes every Wednesday. The FCA program connects over one hundred twenty students and athletes to God. Through our own ministry, four students have accepted Christ and others have recommitted. Not only are we seeing growth at Poly, but I have personally been able to share the Gospel three separate times at my own college! Two of these men came to Christ while the third attended church for the first time in years. Day by day, I am able to see more of God and His glorious power. There is nothing beyond His control and I fully believe that through us and other ministries, that we ARE changing this city.

PRAYER REQUESTS

Please be in prayer that the students we minister to will continue to have open hearts and a diligence to pursue the gospel. Pray for more volunteers from the local colleges as we have a large amount of high schoolers that we are reaching out to. Pray for more connections as we spread throughout the city. Lastly, please notify me with how I can be praying for you! We have a city update letter and if you would like to be a part of it, please equip me with your email address and I will be sure to get you connected!

The entire Los Angeles team and I would again like to personally thank you for your continued support of our mission. By your financial support and prayers, we have been able to share the Gospel with students and a portion of those to Christ. Without you, we would not be here nor would these students have come to know God personally.
