

F.A.T. CAMP

Within Cru, there are three main things that we look for in our student leaders: faithfulness, availability, and teachability. As Christians, we need to be faithful to follow Christ, available to do the work, and teachable to learn new things. In order to help foster these three important qualities, we hosted a leadership camp; hence the acronym “F.A.T.”

My home church, Arbor Road Church, was gracious enough to lend Cru high a room to use for the event. In this mini-conference, God ignited a fire within the hearts of these students! My student Timothy said, “I loved F.A.T. camp! One of my favorite parts was getting to meet other students in the movement. I can’t wait to share this with my church and school!” Timothy wasn’t the other one who brought his fire home with him. Many other students have shared similar stories of how God has been moving in their lives.

OUR NEW HOME!

Every month, Gavin, (a fellow staff member), hosts a star wars movie night. After speaking with Jessica, we requested if we could host the event in our apartment. His response was, “Sure! I think about thirty people are coming.” Even though we were unsure if we could handle that capacity, we prepared all the same. The one prayer that Jessica and I had about our house, was that we wanted it to be a place where we could provide for, shelter, and love others.

That night, there were over thirty staff, students, volunteers, and friends within the Carson household. The Lord had honored our prayer! Since then, we have taken every opportunity to open up our house to serve the Lord! We are now blessed to have the opportunity to serve the team every week by hosting staff meeting.

Lastly, Jessica and I will be in Chattanooga from the 20th to the 25th of November. I hope to see some of you during that time! As always, we are so thankful for your continued support of God’s ministry here in Long Beach. We are praying for you constantly! God bless!
