

# The High School Ministry of Cru in LA Metro

## Prayer Requests:

- Pray for the leadership students at Paramount High, that they would continue to be bold in sharing their faith!
- Pray that all of our schools would find partnerships with local churches like Wilson has found Soundhouse!
- Pray that God would give Jessica and me wisdom as we move into this new stage of life.

AN AUGUST UPDATE FROM THE CARSONS

## Paramount & Wilson High

Two weeks ago at Paramount High School, we gathered our student leaders to prepare for the new year. Typically, we don’t have the first meeting until after the club rush (when all the school clubs promote themselves). But our leadership students were so excited for their fellow classmates to know Jesus the way they do, they said, “No! Let’s start now!”

When 30 kids showed up at the first meeting, with no advertising, we knew that God was moving! Thankfully, two new volunteers, Phil and Nevah, are dedicating their time to this campus, which helps immensely!

Last week, our staff met with Soundhouse Church in Long Beach to find out how they could help support the ministry at Wilson HS. After hearing what God has been doing this year, they decided to pay for all of our pizza for the next five meetings! But even better than free pizza, this is wonderful because we need to involve churches at all of our campuses in order to win more students to Christ!

## Baby Carson: Due 3.14.19

At 6 am, Jessica awoke from a startling dream. She dreamed that she was pregnant! She thought, “Surely not . . . it was just a dream! Also, we are actively preventing, so this shouldn’t be possible!” Just to make sure, she drove to the store to get a pregnancy test. It read one word: POSITIVE.

After spending a few weeks in prayer, we decided to share the good news with our family – specifically, Brandt’s dad. As it turned out, he had dreamed that same night that Jessica was pregnant! He was likewise concerned, but God reassured him that He was in control. After seeing God move in such miraculous ways, we are very excited to meet baby Carson and see what the Lord has planned for him/her!

As always, thank you for your continued partnership in reaching high school students in for Jesus Christ!
