

PLEASE PRAY FOR...

- Damian as he continues to grow in the Lord.
- Pray for our many movements. The Lord is doing a great work in so many places. Pray that we hear the Lord's words and follow with obedience.
- Pray for me as I finish up the last stretch of my support. I plan to raise my last \$800 monthly by May 31st!
- Pray for our staff that are still raising support as we need them on the field.

SUMMIT CONFERENCE

Every year, Cru holds a national fund-raising event called the Summit Conference. In order to best show what the ministry is doing this year, Cru had asked my city director, Hung Thach, if any of our students had overcome great adversity through the Lord and could also fly in to speak in Orlando, FL. I was honored when my student, Damian, was chosen! At first, the idea terrified him. He became angry with me and began to isolate himself from Cru for the next three weeks.

Casey, (pictured left), and I eventually went to Damian's house to convince him to come. After a two hour conversation in an Arby's, he finally decided to go. He explained that he had felt that his mind was, "darkened; led by anger and instinct", but then, "felt as if huge rock had been lifted from his shoulders".

Unfortunately, satan wasn't giving up that easily. The next day, his closest relative (grandfather), was diagnosed with cancer. While over eighty people had intensely been praying for Damian through this time, it still took another week before he finally decided at the very last minute to go! As I was driving him to the airport, he said, "Thank you Brandt, for not giving up on me. I was so rude, angry, and hateful towards you, yet you still loved me through it!" I'm thankful to the Lord because this story showed me how far God loves us and how far he goes to pursue us!

WORSHIP NIGHT

This past week, Cru HS decided to bring in all of our movements under one roof to worship God. Again, the church of 1bl graciously allowed us to use their facilities free of charge. That night, there were over 50 people with 7 schools represented. It was such a blessing to have a city-wide event; to see all of our movements meet, fellowship, and worship together.

Again, none of this would be possible without your constant support. Thank you for your generosity, and I pray for you constantly. God Bless!

"So He said to them, "This kind can come out by nothing but prayer and fasting." (Mark 9:29)
