

LOS ANGELES CRU HIGHSCHOOL

THE MONTH OF NOVEMBER

VOLUNTEERS, STUDENTS, AND FAMILY!

Volunteers!

Last weekend, the LA team was able to attend a college conference for juniors and seniors called Crossroads. At this conference, upperclassmen attended seminars that centered around how to serve God where ever there were called. We had the blessing of being able to speak to over 400 college local college students about the possibility of coming to work with high school students, of which over 20

responded within our area! I also got to meet the San Diego team, top right picture. Together, we will be hosting our first student winter conference, Fastbreak!

Students!

In the middle picture, is the first group of kids that I have had the honor of teaching! At the last meeting, I was blessed to be able to lead worship, teach the lesson, and help them construct their own testimonies!

As we closed out, I asked two of them to boldly present their

testimonies. It was simply amazing to see their vulnerability, faith, and courage as they publically proclaimed their life story and how God had moved.

Family

Since moving out here, many people have asked me if I miss home and my family. While I do miss my family, God has incredibly provided me with a family here as

well! On the bottom right is a picture where my cousins took me out for dinner downtown! I also just returned from a cross-

county trip with my cousin Pamela. Even though I'm 2,200 miles from my birthplace, God has made this my home.

College

Lastly, please pray for my Philosophy class. I am starting a bible study for it as God has used my story to bring two men to Christ while interesting many others. Thank you again for your continued prayer and support. Happy Thanksgiving!

CROSSROADS CONFERENCE

MY COUSINS, GERALD AND MONICA
