binding the brokenhearted

## On the Road again...

Dear Friends and Supporters,

Can you believe that tomorrow we will be driving for a week to Colorado. Packing up the kids and the minivan, we're off on our cross-country adventure. We're looking forward to our time in Fort Collins as we study and deepen our knowledge, understanding and love for the Lord and his Word. It's such an amazing privilege.

While we look forward to our classes this summer, we know that when we return another new school year will be upon us. Jen and I have been so blessed to see the Lord's hand in our work here at UMass. But one thing, that we sense with urgency is the need for a devoted time of prayer and fasting. We know that God must move and continue to pour his Spirit out in a profound way for us take it to the "Next Level". And that is our heart's desire.

## Postcard from Mike

Hi everyone,

Sorry if this seems awkward since I don't know all of you that well but this is something that I really want to say. I've had a really tough time in the past few years and I haven't had many friends. When I joined Cru through the advice of Nick Li, I didn't know what to expect but I knew that I needed to do something to try and make friends because I've been dealing with a terrible loneliness. Not only was I welcome with open arms but your kindness continues to surprise me every day. I've never

had people calling me daily asking if I wanted to do something. I've finally found a group of people who I can be myself around. Every one of you has had a part in making me feel like a brand new, better, happier person. I only hope that one day I can return the favor to each and every one of you. I hope we keep in touch over the Summer.

God bless you all, my friends

the gospel with them and encourage them to grow in their walk with Jesus. We have already seen the beginnings of what we trust will be the Lord's good hand at work. We are especially for the following dorms:

Butterfield (English and Journalism), Crabtree (Engineering), Knowlton & Dwight (Math & Science / Asian). Webster & Dickinson (Honors).

Praise God for Nick, John, Chris, Eileen and Kate. 5 of our students who have reported to project. Please pray for their time on summer missions and that they would grow in their passion for the lost and deepen their faith in Jesus.

Please join Lydia and Priscilla in pray for their friends Claire and Katie to get to know and love Jesus as they do. Please pray for our road trip to Colorado this summer and our time at Fort Collins, taking Bible Courses. Please pray for us as we home school Lydia and Priscilla. (this should be interesting...)
