**So then it depends not on human will or exertion,
but on God, who has mercy. -Romans 9:16**

Soon we'll be in a city in Asia of 800,000 college students who have little or no access to the gospel! We're humbled by the opportunity to spend the summer among unreached people, and grateful for your partnership in sending us! Our success in ministry is dependent on prayers of faith to ask the Lord for great things. Please pray with us!

Would you consider posting this on your bathroom mirror and praying for one request each day as you brush your teeth before bed? (This will be about the time we're heading to campus each day.)

June 5-11

- Pray for a safe and easy flight on June 6th (esp. for Zoey)
- That we would overcome jet-lag quickly and adapt to the new culture.
- That we would seek the Lord daily and care for Zoey well throughout the adjustment period. Pray for emotional and spiritual refreshment.
- For a healthy environment amongst our team of 65 - one of encouragement, faith, and vision for what God will do this summer.

June 12-18

- Pray for Landon, Mark, Katelyn, and Megan -- the four student-staff we will be discipling and training this summer -- that we would love them as Christ does and encourage and challenge them well.
- For the 14 students Landon, Mark, Katelyn, and Megan are discipling.
- That God would deepen our teams' love for Him and grow our dependence on Him as we initiate friendships with East Asians.

June 19-25

- Pray for open doors in conversations that would lead to opportunities to share the gospel boldly, clearly, and often.
- For favor with school administration and government workers we run into--that we would be protected from the schemes of the evil one who seeks to steal, kill, and destroy our ministry and our faith.

June 26-July 2

- That God would have mercy on the East Asian students we are meeting and getting to know and give them insight to understand the gospel.
- For God to draw Yan and Bo (pictured right) near to Christ.

July 3-9

- Pray that the Holy Spirit would work in the hearts of new believers to give them boldness to share Christ with friends and family.
- Praise God that He is with us always! Pray that our team would be aware of this reality and enjoying Jesus moment by moment.

July 10-16

- Pray for new believers to get plugged into community on their campus and local house-churches and begin being discipled.
- For some of those who came to Christ this summer would take the gospel to unreached people all over asia.
- For physical health and spiritual encouragement as we (still with Zoey) travel to Japan with Sam (one of the other staff) on July 11 to meet missionary teams in Tokyo and Nagoya and learn about what they do.

July 17-23

- For the Lord to give us wisdom to discern which missionary team he is calling us (and Sam) to join.
- For relational connection to the members of the team we may end up working with.
- That we would walk closely with the Lord in the midst of a lot of traveling.

July 24-Aug 1

- For our transition back to life at home and wisdom in ministry/seminary decisions.
