Dear Friends,

It is so good to sit down and reflect for a moment on the exciting work of building God’s Kingdom together. This last month was FULL!. I had so many opportunities to share my faith with coaches, students, and families. I was asked to speak at a few school assemblies and they were so much fun. As I approach my 48th birthday, I smile to think how good God is to keep us reaching out to young students (and even coaching my own kids now!) I am reminded of the scripture in Psalm 103 which says, “Praise the LORD, my soul, and forget not all his benefits— who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that our **youth is renewed** like the eagle’s.” God is so good to allow us to “stay young at heart” through the awesome privilege of reaching out together. Your partnership is one of the greatest gifts we could ask for.

This next month, we are working on new ways to reach out to coaches and even specifically to the volleyball community. Our hope is to continue to make an impact and see lives transformed. We want to make sure you know how grateful we are to you and your generosity. Please keep us posted on how we can be praying for you.

*You are a great gift
from the Lord!!*

Serving together,
