Dear Friend,

You may remember praying for Yuri-chan, who was part of the planning team for our senior send off a few months back. She is now a second year student at a nearby Women's University. She's always talking to her friends about her Christian club, and one friend named Fumi has particularly taken interest. Last week, Fumi finally came to our weekly meeting, and it was one of my favorite times with Yuri-chan so far.

During the discussion time, Fumi said that when Yuri-chan talks about God, there is always a sparkle in her eyes. Yuri-chan looked so surprised and humbled to hear this. Apparently she had feared that in sharing her doubts and struggles she had possibly given a negative image of life as a Christian, but the opposite was true. We were then able to talk more deeply about faith in Jesus, and Fumi joined briefly for the dinner afterward. Yuri-chan was thrilled and also excited that she wants to come back.

It was a joy to finally meet Fumi and also to see that Yuri-chan has a new excitement and confidence to talk with her other friends about God.

Please pray for Yuri-chan and other students as they invite their friends to an upcoming board game night, to practice English with our summer teams, or just to go out and grab a meal together. It is my desire to see her and other students to continue to have their lives changed as they trust more and more in God and His Word. Please also keep our staff team in your prayers as we have begun training our new staff Chihiro and are working alongside a total of 45 summer mission members this year. Thank you your faithful partnership with us in Tokyo!

In Christ,

Christina
