September 2008

Dearest Supporters,

Thank you so much for your prayers and financial support that have allowed me to start working at Cal State Fullerton! I am in awe of your faithfulness and God's love shown through you!

The campus has already become a place of joy and encouragement. I am treasuring the students I work alongside and the students we reach out to. It's almost shocking how many people have patiently engaged in conversation about finding hope in Jesus Christ! Now, Edwin, Doowon, Yuri, Peter, Emily, and Jasmine have accepted His forgiveness and asked Him into their lives!

Even the first week was exciting when over 100 students came to our first meeting. We've maintained a great group and had over 50 people at our fall retreat in Running Springs last weekend! Our theme was "rooted and grounded in love" (Ephesians 3:17) and we truly grew as a community. Our speakers emphasized real friendship and vulnerability with each other; I've never seen so many people willing to talk about their weaknesses and battles. We sincerely stepped closer to each other and to Jesus.

Also, Yuri, a Japanese student, accepted Christ at the retreat! Jenn, one of our student leaders, explained more about the gospel and prayed with Yuri. Please pray for us as we start reading the Bible together and understanding the basics of life with God!

We've also started our small group Bible studies, where everyone can apply the Bible to life. We're studying about confession, assurance, and the Holy Spirit, followed by six weeks in the book of James. Please pray that the leaders and students will be built up with each other, gaining more respect and love for God's Word.

Please pray for a continued desire for us to share our faith too. I had the privilege to share the gospel and pray with Edwin to receive Jesus, but many students have been bold on their campus as well. We meet every Monday at noon and have great participation!

Finally, please say a prayer for my brother's precious friend Jake Robinson and his family. Jake was in a car accident and needs God's healing to walk again. Thank you!

Sincerely,

Christina
