Dear [Greeting],

I love writing you a **short**, one-page update of what God's up to in Boston, but every once in a while, I feel like you might like to know a little bit more. We asked the students who joined us on the Boston Summer Project to reflect a little on their summer. I've attached the results.

Thanks so much for your continued support of our work here in Boston. Your consistent prayers and financial giving allows us to work with students like this – helping them share the gospel with every one of the 300,000 students here in Boston.

Consider this month's update "Bathroom Reading." Take your time and pray for each of these students.

Thanks again,

A handwritten signature in blue ink that reads "Brian". The letters are cursive and fluid.
