

You've got to hear
these stories!

Dear friends,

May 1, 2019

Wow! Cru Night was so fun... a bunch of our alumni and ministry partners who live locally got to hear stories of changed lives – direct from students. We want you to hear them too, so... grab your phone or a computer and go to:

www.brianandmalisa.com/crunight

so that you can hear our students tell you personally what an amazing difference the gospel has made in their lives.

Thank you for praying for and investing in changed lives!
