

Brian and Malisa Ellis' virtual prayer walk of Boston

1. **Northeastern:** For fast connections with freshmen who are believers and have a heart for the lost | For International students – particularly south Asians (India, etc.) as we seek to launch a new bridges movement to this group | For some undergrad international students who are believers to surface in the first few weeks and that the Lord would build a movement around them | For Athletes that we're connected to – for relationships to solidify and for the gospel to go out
2. **NEC:** For student and faculty connections and creativity to know how to reach this campus with the gospel
3. **Berklee/BoCo:** For freshmen who are not just Christians but who are excited to share Christ with their classmates and bandmates
4. **Emerson:** That Albany would desire to be connected with other athletes who are walking with Jesus | For the all new group of Cru staff that will be working on campus – that they would move toward making headway especially with a challenging administration | For incoming freshmen – that we would be able to find incoming freshmen quickly
5. **Bonus:** Pray for our team as we seek to launch at **Roxbury Community College** through their activities fair
6. **WIT:** For younger student leaders to link arms with Noah, our key upperclassman leader | For a core group of strong believing women.
7. **SMFA:** For Sephora, an alum who now works at SMFA, that she would be successful in launching a discussion group on art and faith
8. **Mass Art:** For our student leader Jillian as she starts the first small group in 10 years | That her connections with incoming freshmen and new students would be rich and that the gospel would go out in this community
9. **Simmons:** Pray for the 6 involved graduate students that they would make inroads in gospel conversations with classmates | for our student leaders – though young they would be deeply connected with Jesus | for continued strong relationships with the administration | for continued connection with Islamic student association and continued opportunities for conversation about Jesus | for epic (Asian American) to have 5 student leaders by end of semester.
10. **Emmanuel:** Pray for the newly formed leadership team – 5 student leaders that they would be connected together and bold in sharing the gospel | inroads among those who already think their faith is important, but aren't connected to community yet
