

*An overview of our month of April...*

**A renewed vision for what God is doing in Rochester:** Friday the 25th is Rochester Campus Crusade for Christ's annual Fellowship Dinner. We are excited to hear about what God has done this past year, and we are looking forward to hearing about the vision for next year as we prepare to join the staff team on campus.

**Pennsylvania trip:** The first week in April, we took a road trip back to the place where we first called home—Elizabethtown, PA. It was wonderful to be able to spend time with some of our current ministry partners and gain some new ministry partners along the way! We are so thankful for the two years that God gave us there!

**Remembering God is in control:** We have once again been reminded that God is in control of this ministry which He has called us to. This month, God has continued to give us individuals and churches to contact as well as new ministry partners with a desire to be a part of our ministry. We are currently at 85% of our needed monthly support, and we are praising God that He has allowed us to reach this point in the 9 months we have been a part of it! We are trusting God to complete this by the end of this summer.

**Insight for our summer:** This summer, we have decided to stay local in order to completely gather our team of ministry partners. We want to be at the place where we are fully funded and prepared by the time next school year comes around.

**Last month's follow-up:** Last month our newsletter included a story about Rebekah, a Rochester student who applied for a summer project to New York City with Campus Crusade. She has heard back from the project directors, and she has been accepted to be a part of this awesome opportunity! Please be praying for Rebekah and the other 10 students from Rochester who will be going on summer projects. Pray that God would be preparing their hearts, and that He would provide financially for their summer.

### Prayer Requests

- Praise God that He has allowed us to reach 85% of our total needed support.
- Pray that God would continue to provide contacts of churches and individuals who want to invest in our ministry through prayer or financially in order for us to complete the final 15%.
- Pray for the Rochester area college students! The end of the school year is winding down, and they are thinking about what they want to do this summer. Pray that students would continue to grow in their walk with God.
