CAMPUS CRUSADE FOR CHRIST

Building Spiritual Movements Everywhere

February 2010

Although February is a short month, it definitely wasn't short on opportunities for us to reach college students for Christ. On the 18th and 19th of this month, Campus Crusade for Christ of Rochester, NY put on its largest outreach event in the ten year

Each day there are 28 million pornographic search engine requests

history in Rochester. We brought in internationally known speaker Michael Leahy to share his 90 minute multimedia presentation on pornography called **Porn Nation**. He shared shocking statistics and challenged us to consider what kind of impact living in our hyper-sexual culture might be having on us and our relationships. Michael spoke at the University of Rochester on the 18th and then at Rochester Institute of

Technology on the 19th. Between the two colleges, we had over 400 college students attend the event and a number of them indicated decisions for Christ. We have about 150 contact cards to follow up with. Please pray that as we follow up with these individuals we will be able to engage in relevant conversations about the Porn Nation presentation, and be sensitive to the opportunity to have spiritual discussions with many of the students who attended. It is our desire to share the truth of Jesus with them and that their hearts would be open to following and believing in Him.

"It's a \$100 billion a year industry worldwide. Even bigger considering that porn is now the norm in our mainstream media. So why is it that when it comes to porn, we just can't seem to get enough? And are we are certain that our exposure to this 'cheap form of harmless entertainment' isn't changing the way we see ourselves

and others?" Michael answered these questions among many others, and shared how his addiction to porn cost him everything: his marriage, his family, his career, his friendships...and how finding a relationship with Jesus Christ changed everything.

Prayer Requests

- We're now less than 4 weeks away from Emily's due date! We can hardly believe it! Please pray not only for a safe and healthy delivery, but that God would continue to help us prepare to be parents. Scary!!! :-)
- Praise! Our college ministry at St. John Fisher College has been taking off! This is our first year as an official recognized "club" on campus and we currently have around 40 students attending our main meetings and over 20 involved in our small groups ministry. A request along with that is that students would continue to understand the difference between religion and a relationship with Christ. Many of the students come from a catholic background.
- Some may or may not know this, but as a part of CCC in Rochester, we have a ministry specific to athletes called Athletes In Action. One of our CCC staff members, Willy, who leads that ministry will be taking a group of 6 football players from the U of R to Mexico for a week in early March on a missions trip. They will be partnering with Merida Institute of Technology, where they will be teaching students how to play American football. At the end of each practice session the U of R students will be given the opportunity to share about their faith with the Merida athletes. Please pray that through these sporting outreaches many will be able to hear and respond to the gospel.
- Also happening the same week as the Athletes In Action Mexico trip, 6 other U of R students will be heading down to Panama City Beach for CCC's spring break outreach, Big Break. Panama City Beach is one of the largest spring break destinations for college students. During the Big Break conference, students learn how to share their faith with other spring breakers. Pray for safety during traveling, boldness in sharing their faith, and spiritual growth in the lives of the six U of R students and two Rochester CCC staff. Go to www.big-break.com to check out this unique experience for college students.
