

The Campuses Of "The Flower City": Rochester, NY

Even though we are currently living in the Rochester area, we are unable to begin our ministry with the college students of Rochester until we reach 100% of our needed support goal. We are eager and excited for the day that we will be able to join the other Campus Crusade staff in reaching the Rochester college students for Christ! In this letter, we thought we'd share a little more information about the college campuses of Rochester.

Rochester Institute of Technology (RIT):

- 12,933: The number of undergrad students currently enrolled.
- Largest group of students involved in Campus Crusade for Christ: 45.
- Largest group of international

students

Monroe Community College (MCC):

- There are 3 campuses within MCC: the Brighton Campus, the Damon City Campus, and the Applied Technologies Center.

State University of New York (SUNY) College at Brockport:

- Home of the Golden Eagles
- Established in 1841 under its original name: Brockport Collegiate Institute

University of Rochester (U of R):

- 2nd largest group of students involved in Campus Crusade
- Eight U of R sports teams have competed in NCAA Division III championships.

Roberts Wesleyan College:

- Smallest number of undergraduate students in Rochester: 1,408
- 3rd largest group of students involved in Campus Crusade
- Even though it is a Christian liberal arts college, Campus Crusade still makes a point of being involved in students' lives at this campus.

St. John Fisher College:

- Home of the Buffalo Bills Training Camp
- Along with Nazareth, both schools have a Catholic based heritage but do not practice any of those traditions today.

Nazareth College of Rochester:

- Campus Crusade staff are not officially allowed on this campus. Pray that God would open the doors for the Rochester staff team to start a group here.

A Place To Call Home...

After a very busy January candidating at North Baptist Church, we have enjoyed getting back to our usual routine of Ministry Partner Development (MPD). We praise God for continuing to provide contacts for us to share our ministry with! Thank you so much for your faithful prayers! God has definitely been answering them by providing for our needs.

A major need that God has recently met has been our need for housing. While we have enjoyed staying with family and friends since we've returned to Rochester, we have been looking for our own place to call home. God has graciously provided a wonderful house for us here in Rochester. Our closing date is April 30th, which works out perfectly for us because it allows us to continue with MPD before moving.

CAMPUS CRUSADE FOR CHRIST

Building Spiritual Movements Everywhere

Please Pray For...

- ⇒ The ministry on each of the college campuses, students to hear and understand the Gospel in order for them to become genuine Christ-followers
- ⇒ God to raise up a significant group of students that desire to be leaders on their college campuses.

- ⇒ Many Rochester students have shown the desire to be a part of a summer missions project this summer with Campus Crusade. Pray that God would prepare each of them for the summer ahead, that the Lord would provide the necessary funds for each of the students to go, and for any apprehensions they may have.
