CAMPUS CRUSADE FOR CHRIST

Building Spiritual Movements Everywhere

January 2010

We trust you had a great Christmas and a Happy New Year with family and friends! We had a wonderful time with our families in Rochester, NY, and then travelled to Lancaster, PA to spend some much needed time with extended family and great friends. Our hope is that 2010 will be a year where you continue to grow in your relationship with God!

Boston Winter Conference 2010. January 2-6. BWC is a time to hear the word of God without the distractions of daily life. It is a time to worship God in love and gratitude. It's a time to experience community with hundreds of college students. And it's a time for students to ask God how He could use them to build His kingdom. This year, we had 19 students from Rochester attend BWC (14 students from Roberts Wesleyan and 5 students from St. John Fisher). Unfortunately RIT and U of R students we not able to attend BWC this

year due to scheduling conflicts. One student in particular who walked away from BWC asking how God could use him to build His kingdom is Scott. Scott is a junior at St. John Fisher who is majoring in Computer/Internet Technologies. Scott had never really committed to following Jesus with his life until BWC. For the first time in his life he saw Jesus for who he really is! Scott realized that God is a merciful and gracious God that loved him so much that He gave His Son to die for his sins. Not only did Scott begin a relationship with Jesus, but he began to think about how he could use his life/skills/talents to build God's kingdom. Scott is applying to go to Campus Crusade's *Preview Weekend* at Headquarters in Orlando, FL where he will learn what it would look like

for him to use his gifts and talents for Christ on staff with CCC. CCC has many staff that work behind the scenes in operations. These staff help plan conferences, retreats, and events as well as design creative marketing campaigns and maintain the dozens of websites we operate to help people begin and grow in a relationship with God. The *Preview Weekend* is a full expense paid weekend for students who desire to use their technical/design/administrative skills to help reach more students with the grace and truth of the gospel. Please pray for Scott that he will continue to grow in his new walk with Christ and that God would use him in a great way to build His kingdom.

Porn Nation. February 18th & 19th. *Porn Nation* is the critically acclaimed, 90 minute multimedia-intensive college lecture and Q&A attended by over 100,000 university students on over 150 campuses worldwide. Michael Leahy challenges audiences to consider how the impact of living in our hyper-sexual culture might be having on them and their relationships. He has been featured on ABC's "20/20" and The View, USA Today, Dr. Drew Live and Playboy Radio. Michael is the author of the book *Porn Nation*, and he works alongside Campus Crusade for Christ to hold these lectures about pornography and the freedom that can come from knowing Christ. *Porn Nation* will be at U of R on 2/18 and at RIT on 2/19 (Both identical events starting at 7pm). **We invite you to attend either one of these free outreach events!** It's a great opportunity to understand the damaging effects of pornography, and hear Michael Leahy's amazing journey through his porn addiction. Prayer Requests and Praises

- Emily's pregnancy continues to go very well. She has been feeling great, but she has started feeling a little bit more tired as she's in her 7th month. It's hard to believe the arrival of our little girl is only 2 months away! We are so excited to be parents. Many others share in our excitement, including family, friends, and students. Thank you so much for your prayers and please continue to pray for a healthy and safe arrival of our first baby.
- Nate had the wonderful opportunity of becoming ordained at our Northeast Staff Conference at the end of November. We had a memorable time celebrating and commissioning Nate with our Campus Crusade staff family at Camp of the Woods in Speculator, NY.
- We received our summer assignment for this year! We'll be staffing the summer project to

Yellowstone National Park! We are very excited, especially Nate, who had the opportunity to attend this summer project as a student in 2004. Please pray as we prepare and plan for Yellowstone.
