CAMPUS CRUSADE FOR CHRIST

Building Spiritual Movements Everywhere

September 2009

The Campus 2009-2010 School Year

Freshman...Free Stuff...Follow-up with new contacts...Friday night meetings...and who can forget FUN! We are about a month into the new school year on the college campuses of Rochester, and we've had a lot happen in these past few weeks! Fast-paced, eventful, and non-stop are a few words that have described our lives throughout the month of September. Despite the craziness of this month, we are so thankful that we are able to have another year of ministry on the Rochester campuses. It has been a wonderful start to a new school year!

We started off the year on the campus of SUNY (State University of New York) Brockport during the Freshman Move-In day. With FSKs (Freshman Survival Kits—a bunch of free stuff including a laundry bag, Bible, books, water bottle, information about Campus Crusade and DVD) in hand to give out to new freshman, we had many opportunities to meet new students who were interested in Campus Crusade for Christ or students who just wanted free stuff. Overall, we gave out 200 FSKs at Brockport. The picture to the left is us manning the table at Brockport.

The following week we had a CCC table set up for Club Day at RIT (Rochester Institute of Technology). Club Day at RIT is an opportunity for students to get more information about different groups/clubs on campus that they are interested in. It is our hope on Club Day to expose students to the fact that there is a great Christian group that meets on campus, and we invite students to be a part of CCC. This year, we handed out 550 FSKs at RIT! That's 200 more FSKs than last year! The picture to the right is of RIT students assembling FSKs.

One new and exciting opportunity for us this year is that we'll be spending one day a week at St. John Fisher College. There is a group of about 25 students that meet regularly for a mid-week Bible study. We have really enjoyed working alongside of these students the past couple weeks. It's been amazing to see God at work in the lives of students at Fisher. In one year, the group has grown from zero students to its current number of students!

An Announcement!

If you haven't already heard it through the grapevine, we would like to announce that we will be adding one more to our family! We are expecting a little baby at the end of March! We are so excited and thankful that the Lord has blessed us in this way. Please pray for the pregnancy these next 6 months, and pray for us as we prepare for the big step of parenthood!

Please Pray...

For our Upstate NY Fall Getaway this weekend. Students from all over Upstate NY will be coming together to learn more about God, worship, and form and build relationships.
