

Fall Kickoff at Trinity University

Both at Trinity. Volleyball on Labor Day and Cole teaching at the Trinity weekly meeting.

This fall, we are on **five campuses**, and each one looks a little different. Let me introduce you to what God is doing at Trinity University.

First of all, **Cole is our student leader—and he is rocking it!** He has a huge heart for discipleship. He is sharing the gospel, meeting with guys, and helping them take their next steps in faith. He is also faithfully handling some of the less exciting but necessary parts of ministry—scheduling rooms, responding to university emails, and helping keep things moving behind the scenes.

We also have a small group of student leaders, including the three pictured on the left—**Jamel, Peyton, and Azure**. Most of our student leaders are leading a Bible study or discipleship group either on their athletic team or within a fraternity or sorority. It is exciting to see students stepping up and taking ownership of ministry on their campus.

Pray for our student leader! There are many leading at Trinity and other campuses. They need your prayers as they are on the frontlines!!

One of the biggest changes this year is how closely we are working with FCA. Ashley, pictured on the far left above, recently moved to San Antonio, and we have begun a great partnership together. We call ourselves **“Team United”** because we are united around the gospel and our desire to see students know and follow Jesus. **Praise the Lord for what He is doing at Trinity!**

Prayer Request: 1) Please **pray for wisdom** in what best to give attention to. With so many campuses and so many teams we need wisdom to know how best to lead. 2) **Pray for our student leaders** on these campuses. The three key leaders are Cole, Hannah, and Devontae. They are giving energy and effort and working hard for the kingdom. Pray that they would be encouraged and that they would see fruit. 3) **Pray for the partnership with FCA** in San Antonio. We believe that it will make a difference for the kingdom but we really don't know exactly what it should look like. Pray we would know best what to partner in and what we should do separately. **Thank you for your prayers!**

Worldwide Day of Prayer: I just sent out an email asking you what I could pray for. Cru does a worldwide day of prayer and we love lifting up specific things for you. If you didn't get that email could you shoot me an email so I have your email and I don't miss getting your prayer requests? Thanks!!!
