Students at Fall Retreat. The theme of the retreat was "The Gospel in our past, present and future."

Launching on two campuses while building a movement brings unique challenges. But it brings really cool stories as well! Like seeing students on three different campuses in San Antonio put their faith in Jesus. Or watching as a new believer helps lead another fellow student to Jesus. Or seeing a student come to one meeting, sign up for Fall Retreat, and then at Fall Retreat give her life to Jesus.

God continues to call students into relationship with himself and it is really fun to be a part of that work. Thanks for all you do to make this ministry possible!

On left: At Palo Alto College with a student named Carlos during a student org fair. One fun part was that next to our table was the table for the anime club. I got to share my faith with a girl named Victoria while her friend put on some sort of cat whiskers. That was unique!

On right: One of our tables at UTSA. This day was when Nate got to share with Tony. Tony came to know Jesus. A few weeks later, while doing follow-up, Tony got to share with Dylan and Dylan put his faith in Jesus. Pretty amazing when you think about what God is doing in and through students!

Prayer requests:

- 1) Pray that we would see more freshmen get involved. We have a lot of sophomores and a few juniors and seniors but the freshmen this year haven't really gotten involved. This is critical to growing a movement that becomes big enough to impact the campus and city. Pray that our older students would invite and be welcoming to freshmen.
- 2) This month we are talking a lot about being sent. Pray that many of our students would take advantage of the missions opportunities coming up. We'd really like to see many of them go on summer projects and get the training that is offered there as they learn to better walk with Jesus and share their faith.
- 3) Pray for those students who have indicated decisions for Christ. Pray that we would be able to walk with them through these initial steps in their relationship with Jesus. We've seen 11 students take the first step this fall. Pray they would be good soil and that the seed would take root, grow, and produce fruit!
