Destino Break was amazing... We even got featured on the national Instagram account. We're almost famous! But more than that, God's name was lifted up on the beach, people heard the gospel, and some even made decisions for Christ! Praise the Lord!

The Belize trip was eye-opening and productive...

Meanwhile, I was able to meet with a number of missionaries and pastors in Belize. One pastor (pictured top right) said that in Belize many people have been "vaccinated by religion"—that they've been given a small dose of the real thing that keeps them from experiencing the real Jesus until someone shows up and shows them Christ's love tangibly. So we are going to send students on mission this summer to "show up" in Belize!

Prayer requests: I'm overwhelmed with gratefulness this month. Thanks for your prayers on our behalf. People have come to know Jesus. Students have taken steps of faith. God's kingdom is being expanded! Thank you so much for your involvement! Would you pray this month for a few things: That new believers in San Antonio would have their faith strengthened. That our student leaders would lead in a way that invites others into relationship with Jesus. We are beginning to look at student leaders for next year—please pray for wisdom and excited and committed new leaders!
