

The Year in Review!

I wish I could share all the stories. There really is never enough space. God blessed us this year in some very visible ways with some very evident fruit and for that we are so grateful to Him. And we know that God worked in and through your prayers and support.

Let me say this loudly—**“Thank you for being a part of this ministry with us!”**

Please pray for these things on the left. Please also pray for the work that needs to be done over the summer.

One big thing is that there are many new transfers coming in. Pray that God would make it possible to connect with them and share the Gospel with many of them—especially at UTSA.

This month I (Dan) will be in Puerto Rico for a summer mission. (Most likely I'll have just arrived when you receive this letter.) Please pray for this mission trip. We should have about 40 students, many from the states and some joining from Puerto Rico. This is a combination spiritual development training camp and missions trip. Please pray for the Gospel to go out and for many steps of faith to be taken! Pray for safety for all participants. And pray that the impact from this will be felt back on campus!

The images were from a story shared on the SATXAIA Instagram. You can check out more here: www.instagram.com/satxaia/ This month I plan on posting a video from Puerto Rico and the mission trip. So please check: www.dananddeann.com/video in the next week or so!
