Sometimes ministry happens at a weekly Bible study and sometimes at one of their games. The reality is that showing up for these athletes shows you care. A “ministry of presence” matters.

New semesters always feel like a fresh beginning, and this one didn't disappoint! After Winter Conference, we kicked off the semester and have been continuing to minister on four campuses in San Antonio—University of Texas at San Antonio, St. Mary's University, University of the Incarnate Word, and Trinity University. Here are some interesting statistics: There are 47,129 students on those four campuses. There are 70 varsity teams with 1,179 athletes and 208 coaches. Needless to say, there is a lot of work to do! **Here's how you can pray: 1. Pray** that we would continue having evangelistic conversations with new students. There are open hearts—we just need to find them. Pray for God's direction! **2. Pray** that our student leaders would continue to trust God for their teammates. This semester many of them have lists of their teammates and are actively pursuing next steps with those who don't yet know Jesus. Pray for fruit! And **3. Pray** for laborers! This is a huge need. We desperately need more laborers to join us. We are hoping that at least four students would step up to be “student staff” next year and that God would raise up one to three volunteers or interns to help reach these four schools! God has already raised up student leaders in numbers we haven't seen before. We are now trusting Him for the next level of leaders. Thanks for praying!

**Big Prayer Request:** Over our schools' spring break, we are headed on a mission trip to Puerto Rico. Eight students and two staff (myself and the other San Antonio staff guy) will be working alongside AIA in Puerto Rico to do evangelism and help them gain new contacts for continued ministry on the island. This is the largest group we've ever sent from San Antonio on mission, so it is very exciting!

We are putting out a short weekly video, Total Athlete Timeout, for the involved students. You can check it out on Instagram at @sataxia.

**Extra Prayer Request:** We have hit a rough patch with house repairs. Pray that the foundation and plumbing repairs would be done well and not be too costly! Thanks!
