Changed lives. Trained students. Deep friendships. Growth. This is what happened at Destino Break. Thank you so much for praying for this event! Our small group of students over three days initiated with 79 people and saw one person indicate a decision for Jesus! On top of that, we now have trained students back on campus using what they learned to talk with their friends about Christ. Here are a couple quotes from Destino Break:

This spring break I actually went to Port Aransas to spread the word of God, and as nervous as I was, I knew that's exactly where God wanted me to be. I had so much fun with everyone from Destino who went! Praise God :) -Chris

Prayer walk. Speechless about this spring break trip! Needed some time to just praise him and give thanks for all the strength and courage he gives us daily. #destinobreak #prayer #love #jesus #colombiabag—Priscilla

Back on campus I was talking with Elijah (a student at Palo Alto) about sharing his faith and he said to me, "I was just sharing my faith with a friend yesterday with some of the stuff that I learned in Destino." And that is exactly what we want our students to do!

### Prayer and Praises:

—Praise for a Destino Break that went better than we had imagined. Praise God for trained students who continue to share their faith. (And a sneak peak at our next letter...praise God for Trae—a brand new brother in Christ!)

—Pray that we would finish the semester strong. Pray that Brandon would come to know Jesus—we feel he is right on the edge of making a decision! Pray that God would continue to grow the movements at Palo Alto and UTSA with students who know Jesus and want to reach their campus and with students who don't know Jesus yet!

**God is at work and we are so privileged to have you in ministry with us! Thanks!**
