### It's starting!

**Every fall is a new beginning and you always wonder how it is going to go. It's going well this year!** On the left you will see our first ever multi-sport, multi-university meeting with 25 students from Trinity, Incarnate Word, and St. Mary's University. We filled up the living room quite well! And there were at least ten who said, 'I'll be there next week.' Can't wait to see what God does in and through this group!

One way we connect with students is through "tabling." This fall we set up tables at both Incarnate Word and Trinity (in partnership with FCA!) At each table we had a drawing and a "shoot a basket" for free Chic-fil-a (always a big hit!)

In the picture on the right you see a volleyball player, a basketball player, a football player, and a fencer—all students who are helping us reach their school with the gospel.

*On the left you can see our table at the fair at Trinity.*

### Prayer Requests:

- For continued success connecting with students at Trinity, UIW, and St. Marys. Two students have already made decisions for Christ (!) and as we follow up with others from the tables we are trusting God for more!
- For the ministry happening at UTSA. Over the past years I've ministered to the basketball team and tennis team. They are mostly all new through coaching changes. I've connected with the teams but it has been slow going. Would you pray for open doors?
- Finally, pray for the volunteers in the city—Ashtyn, Dempsey, and Mike. They are doing great work!

If you have family or friends heading off to college please let me know. I would love to help connect them to a good campus ministry. If you have questions on how to encourage them to go, please drop me a line. Would love to chat!
