### Praying for more late night texts!

Follow up with students that express interest in spiritual things is one of the key ways ministry happens on campus. This fall we've seen at least 8 students tell us they made a decision to follow Christ! How cool is that?

We typically use a booklet (see below) as a guide when we share the message of salvation with a student. A number of times this fall I'll end the conversation asking, "Would you like to pray

Matthew 9:36 says, "When he saw the crowds, he had compassion on them because they were confused and helpless, like sheep without a shepherd." I've been praying over the past couple of days that I would have the same heart of compassion for the students on campus that Jesus does. Would you pray that God would give us that heart? (Praying God would give you that heart for students and for neighbors and co-workers and friends as well!)

### Prayer Walk on the UIW Campus

now or do you want to take this home and pray after you're looked at it again?" Three times I've gotten texts at around 11 that night saying things like, "I did it." or "I crossed the bridge." I don't normally like late night texts...but I'll take those all night and all day! Praise God for the way he is working in the lives of students on campus. There is a spiritual openness that we are seeing as we talk with students. **Would you pray that the openness would continue.**

#### Other Prayer requests:

**Pray** for Nate, Mack, and J—three guys I've gotten texts from late at night!

**Pray** for a coach from a new campus, BJ, that we'd see a new campus open through his willingness.

### AIA Meetings Sunday Nights!

One thing I'd love you to see: Student athletes sharing how they are growing. Check out the SATXAIA Instagram. There are some great short clips! [www.instagram.com/satxaia/](https://www.instagram.com/satxaia/) And as usual I have a new video out giving a little more detail in the "Story Behind the Story": [www.dananddeann.com/video](http://www.dananddeann.com/video)
