OUR DEAR FRIENDS,

We can't thank you enough for your prayers for us. So many of you called and wrote in response to our last prayer letter—thank you for reading these letters, for caring about us, and for responding to our requests for prayer. It's easy in the Christian life to feel like you're alone; thank you for holding us up during this time.

God answered our prayers for Jason's trip to New Hampshire—thank you! He had a really refreshing time with our pastor and his family. He got to spend some good time studying and thinking about God, quality time with friends, teammates, and supporters there, and came back with some renewed vision and hope. We still feel like we're walking through a foggy and confusing time in life, but I (Faye) see new life in Jason's face, and that is a very encouraging thing.

The school year ends for Dartmouth this week, and some of the students are doing some really exciting things this summer! **One group of students is heading to China** to work with a Christian missions organization (not Campus Crusade) that hosts English summer school classes for Chinese children (K-12). These students are all from the Ivy League and Cambridge or Oxford in England, and are able to teach these classes because Chinese parents want well-educated English-speakers to teach their kids. This is the 5th year in a row that Dartmouth has sent students to work with this program, and Dartmouth students from past years have come back with incredible stories of Chinese kids discovering Jesus. It will be really fun to hear what happens this summer.

PRAYER REQUESTS

- Please thank God with us that Jason had a restful and restoring time in NH.
- Pray for the Dartmouth students teaching in China this summer.
- Please pray for both of our relationships with God – that we'd have renewed hope in His goodness and fresh desire to trust Him and to seek Him, not for His blessings, but just for Him.
- Please pray that God would provide new people for us to share with about our ministry, and that many of them would want to partner with us financially.
- Pray that God would provide the rest of the support we need!
- **Praise God** for 4 new partners since April.

WE'RE ALMOST THERE!

ONLY A FEW HUNDRED DOLLARS AND A FEW THOUSAND MILES AWAY ☺

Dartmouth students aren't the only ones who are looking forward to having an exciting summer. Over the last couple of months we've trimmed down our support goals, and adding in the recent new support we've received, we are now only about \$1000/month away from our goal (about 87% of the way there)! The end finally seems to be in sight, and we are very excited.

Here's what we expect our next few months to look like:

Now – July 18 .. Finish (hopefully!) raising support in San Diego

July 21 – 30 In Fort Collins, CO at our national CCC staff conference

August In the Mid-West, visiting our support team there / raising any additional funds we still need

September Moving to New Hampshire!

September 23 School starts at Dartmouth
