

HARE TODAY

THANKSGIVING DAY, CELEBRATED IN HONG KONG, WITH JEREMY'S FAMILY AND NTM MISSIONARIES PETER AND ELAINE YOON

Katy visits family in Guam while Macon visits Asia Pacific.

When Macon told me he was traveling to Asia Pacific for a photographic trip over Thanksgiving, I said, "I'll go over to visit the grandkids in Guam, while your gone." Thanks to Jeremy's flying perks I had a great 2 week visit with Jeremy and Judy Hare and grand-girls Natania, 9 and Thalia, 6. Jeremy flew us to Hong Kong

for 3 days and we were able to connect with new NTM missionaries Peter and Elaine Yoon. The Yoons are visiting their home church before their field assignment in 2014.

Macon, returned jet-lagged but very excited with visits to Europe and Asia Pacific during the month of November.

His team is producing a new video and will have some dramatic photos to share with you in the New Year. Thank you for allowing us to share what God is doing in remote areas of the world!

Your Partnership means the 'World' to us.

Merry Christmas from the Hares
