MAKING DISCIPLES AS JESUS DID

STUDENTS WERE ENERGIZED AND EQUIPPED TO SHARE THE GOSPEL... IMPACTING CHICAGO, AUSTIN, DC, DENVER & LA WITH THE GOOD NEWS.

Energizing Students to Impact their World!

This Summer Sonlife partnered with Dare 2 Share to equip and energize almost 1500 students in Evangelism and Disciple-Making at Lead The Cause. Our team participated in events in Chicago, Austin, Denver, Washington DC, and Orange County, CA.

The Chicago event was hosted at my alma mater, Wheaton College. What a thrill to tell stories of some of the great alumni who were impacted on that campus: Billy & Ruth Graham, Jim Elliot, Todd Beamer. I had the opportunity to share the personal significance of Wheaton as Jennifer's great grandmother, Corrine Smith, was the Dean of Women while the Graham's

were students there. Students were bused from Wheaton to downtown Chicago for outreach in the afternoons, where they had the opportunity to engage over one thousand people in spiritual conversations.

In Washington, DC, we designed a prayer experience around the memorials and monuments, culminating with students sitting on the steps of the Lincoln Memorial, writing a letter to God about the legacy they wanted their life to leave. We partnered with the DC Dream Center for an afternoon of outreach in inner city DC, and also had an afternoon to engage tourists visiting the Smithsonian Museums in spiritual

conversations. Students ended their week thinking about the eternal in Arlington Cemetery and writing a gospel letter to a spiritually lost friend back home.

Lead The Cause finished out with a week in Orange County on the campus of Vanguard University, which is a converted Air Force base. Students did their outreach experiences at the nearby beaches, and the week culminated with a commissioning service at the beach. Some students wanted to get baptized, and when some curious onlookers asked what was going on, they heard the gospel, trusted Christ, and were baptized on the spot!

Students from LTC Chicago passionate about Jesus!

Emma and Mary-Faith joined me for LTC DC.

Strategic Prayer

We are so grateful for your faithful prayers for our family and our ministry. Our disciple making efforts across the US and around the world would not be possible without God hearing and answering prayer.

As you continue to lift us up in your prayers, here are a few prayer needs.

OPEN DOOR HAITI / URGENT

In June, the platform we use to operation our child sponsorship program online stopped working. We were unable to get a hold for the company and had to switch to a new platform, which will serve us better in the future. In the mean time though, online donations weren't processed in June and every sponsor that used the old system now has to re-sign-up and input their credit card information again. We've lost almost \$10,000 of sponsorship money in the process. Please pray for all existing sponsors to re-sign-up, and to make up the missed months of giving. Pray also for special gifts to help carry us through the transition.

GEARING UP FOR SCHOOL

Marisa is entering her final year of college and has a significant leadership role on the campus this year. She's leading the team that organizes all of campus activities, including freshmen welcome week and parent's weekend this Fall.

Jaclyn heads back to Long Island for her second year at LIU studying theatre. She's had a full Summer taking classes, working, spending time with friends, and taking a mini-vacation with Marisa.

Emma and Analise are entering their senior year of high school and have begun the process of thinking through what college might look like a year from now. Analise has two jobs this Summer, working at McDonalds and TJ Maxx.

Mary-Faith is entering 10th grade, while Maggie has begun her final year of middle school. Life will look so different a year from now with four girls out of the house.

*Serving Christ together,
Doug & Jennifer*
