

CREATING DISCIPLE MAKING MOVEMENTS AS JESUS DID

SEPTEMBER 2014

Josh Yates with students at our Chicago MUVE conference.

We have 15 new students for our SOYM program in Haiti... a \$75 gift pays for their student back pack (books, supplies, running clothes, polo shirt).

Sonlife

30,000 Gospel Advancing, Disciple Multiplying Ministries!

A God-Sized Vision... to transform the culture of youth ministry in North America... influencing 30,000 Gospel Advancing, Disciple Multiplying ministries by 2025.

Together with Dare 2 Share, our strategic training partner for disciple making training for students and youth leaders, we are trusting God for the kind of impact that only He can engineer. Research has shown that if 10% of a group goes ALL IN with any belief, they can effectively influence the other 90%. Of the roughly 300,000 evangelical churches in North America, if we can train up 30,000 over the next 10 years to be

Gospel advancing, disciple multiplying ministries, the church in North America will have effectively reached a tipping point... one that could bring revival to our churches, schools and communities... one that sees every teenager in North America having the opportunity to hear the Gospel from a peer.

Building a Platform for expanded impact. For the past five years, Sonlife's administrative offices have been in Bloomington, IL. I mentioned in our last prayer letter that we were praying through a move to either Denver (housed with D2S) or to Orlando. God answered our prayers in an unexpected way, providing an opportunity for us to move to

Portland and have current Sonlife missionary staff member Josh Yates assume the role of Associate Director and oversee Operations. Pray for Josh and his wife Katie as they begin to set up our administrative hub their in Portland. Josh is assembling a team of administrative support staff and marketing consultants to help build a platform that will allow Sonlife to grow as we move toward our vision.

Having Josh in this role allows me to focus on speaking, training, writing and strategic partnerships... which is where I can make the most significant contributions to our mission and vision.

Thanks for joining us in praying for this God-sized vision!

from the life of
Christ*

Open Door Haiti

ORPHANAGE EXPANSION

Construction has begun on our new boy's dormitory wing at Open Door.. The new wing will expand our capacity, allowing us to provide a home for 50-60 children. Construction should be completed by the end of the year, with projects like painting, electrical and building bunk beds available for team projects in early 2015.

SOYM TRAINING CENTER

Our seventh year of SOYM began the first week of September with 15 students. Before our SOYM Training Center can be used by the students, we have a few projects left to complete. One of those, installing a well so we have water for the bathrooms and kitchen, is in process now. After installing tile, plumbing & electrical, the Training Center will be ready to open.

SCHOOL EXPANSION

Our school in Bois De Lance continues to grow, with nearly 500 students enrolled for the 2014-15 school year. Open Door has added a secondary school, with classes for 7th thru 9th grade currently available. A new classroom wing is being added this Fall to alleviate crowding as some of our classes have over 50 students in a 15x20 room. We're also hoping to finish the school Library soon. We already have computers donated for this space, which will open up a new world of learning and discovery for the children in the village.

On my recent trip to Haiti, Pastor Wiljean and I baptized 15 believers in the ocean just outside Cap Haitien. What a powerful reminder of the impact we are having as we transform a nation...

one life at a time.!

Thanks for praying for and supporting our work in Haiti... and around the world!

*Serving Christ together,
Doug and Jennifer*

Around the Country in Eight Days!

Training youth leaders in Phoenix, San Diego and Minneapolis... with flights through Detroit, Salt Lake City, Seattle and New York... CRAZY!

"Therefore, go and make disciples of all nations!"

The next 8 days are a microcosm of our Fall... the craziest Fall in our 15 years of ministry living in Florida.

Since Jennifer and I celebrated our 22nd Anniversary in Savannah, GA in August, I've launched our SOYM program in Haiti and been with youth leaders in Louisville, Kansas City, Seattle, Portland, Lincoln and Denver. I've also spoken at youth events in Nebraska and Crestview (Pensacola), Florida.

The Power of the Gospel...

In Nebraska, after training church leaders is Sonlife's Movement Seminar on how to build a disciple making ministry, I spoke for a local youth ministry. Of the fifty students that attended their regular Wednesday night program, seven responded to the message by putting their trust in Christ for eternal life.

In Crestview, fifteen local youth ministries gathered for a See You At The Pole (national youth ministry day

of prayer around school flag poles) rally. Almost 500 students packed the church for the event where I challenged them to be

campus missionaries and take the Gospel to their schools. But before you can share the Gospel with others, you have to know the Gospel for yourself. Almost seventy students indicated putting their faith in Christ alone for salvation that night!

Besides the youth leader training events over the next eight days in Phoenix, San Diego and Minnesota, I'll also be training leaders at events in Columbus, Chicago, DC, Dallas and St. Louis before Thanksgiving and speaking at Shamineau Camp in MN to 400 students and the Church of God state youth conference to about 1000 students in Orlando.

Thanks for standing with us on this crazy adventure God has us on... proclaiming Christ and making disciples to the ends of the earth!
