Open Door Church Orphans & Widows Project

James 1:27 states that "religion that God our Father considers as pure and faultless is this: to look after orphans and widows in their distress, and to keep oneself from being polluted by the world." By May 1, we are trusting that God will have provided all the funds needed to build Open Door Children's Home, which will house and care for 50 orphans. They will be educated at Open Door, fed, be provided with medical care, and be brought up to know and love Jesus!

THE WIDOW'S VILLAGE

With many widows bringing their children to orphanages to give them away because they are not able to care for them, God has given us a burden and a vision to build a widow's village. There widows will be provided with subsidized housing, will have their children educated and fed at Open Door School, and will be trained at our trade school and provided with employment opportunities. We firmly believe that the best option is that these children be raised by their own mother, and we want to help the widows do just that.

WINTER XTREME: WI

March 5-7 I had the opportunity to speak to over 400 students and their youth leaders at Timber Lee Camp in Wisconsin. It was a great weekend of ministry, speaking on the theme FEARLESS, and the added bonus was that Jen & the girls got to come with me :-). Mary-Faith's first time to see and play in

snow, incredible toboggan run that the girls loved, time to connect with grand parents and late night karaoke bar were a few of our highlights. Our theme verse for the weekend, 2 Timothy 1:7... God has not given us a spirit of fear, but of power, love and sound mind. So many e-mails & facebook posts...

ORPHANS & WIDOWS PROJECT: A sketch of our future children's home, which will house 50, and our widow's village, which will house 20 widows and their children.

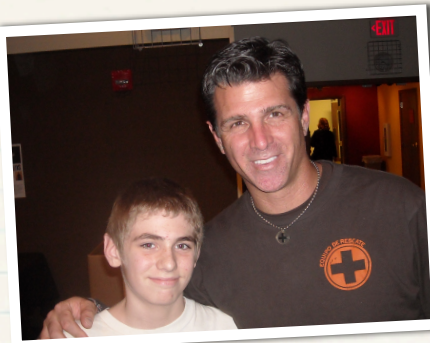

LOVE HAITI/AFRICA: Change This World, who is providing food for us to ship to Haiti, gave us T-Shirts to spread the love. You can buy one online at www.changethisworld.org.

LET IT SNOW! Our girls enjoyed what was left of the snow at Timber Lee Camp: tubing, taboggoning, making snow men, throwing snow balls, hunting for icicles & making snow angels.

In Their Own Words: Student Stories

Matthew approached me to thank me for helping him become a Christian. Thanks God!

FEEDBACK FROM YOUTH LEADERS

I was one of the adult leaders this weekend at Timberlee and I continue to be thankful for you and your message. I wanted to give you some immediate feedback of what I felt was specifically powerful about your speaking and to let you know that of all the youth camps I have gone to...as a child and now as an adult...I felt that you were by far the best speaker.

"I just wanted to say thank you for the wonderful messages this past weekend. I have really been trying to apply them to my life and God already through me a few opportunities to love when it's hard to, but I'm learning that it's really amazing! So thank you so much! I loved the stories you added too! Thanks for making this weekend even more awesome! :D "

As a leader I want to thank you for ministering to our youth at Camp Timber-Lee this past week. You not only challenged the youth but you also challenged the leaders to live a Fearless life. God has been encouraging me to be more involved in the Jr High student's lives and challenge them even more to talk to their friends.

Your message today really stuck out to me. I've been hurt a lot...too much for me to even imagine that I would get hurt this much so young.. sometimes I feel like I'm having a good day and I know that God is moving in me, but then there is always something to bring me down. Luckily God, I can hear him speaking to me. He is calling my name and I know it. I want- actually i would die- to have an awesome relationship with God.

I just got back from the weekend at Timber-Lee! I actually went as a Sr. High leader for our Jr. High youth group and I have to say I'm so glad God brought me to this retreat! All the sermons lined up with everything that was going on at home and it was really encouraging just to go away for a weekend and be charged up for everything back home. I have to say, I went as a leader but it changed my life every little bit!

March 7-10 ~ IN

Straight from WI to IN to speak to 200-300 JH students every night at Nappanee Missionary Church's Fanning The Flame conference. Many students trusted Christ for salvation or found hope and healing for their brokenness and pain, while other teens responded to the call to live "less of me, more of you" every day as they seek to follow Jesus in the power of the Holy Spirit.

What an incredible privilege God has given me to speak to and raise up a generation of passionate Jesus followers
