A BOLD MOVE

TWO X TWO VISION

Last October, I downloaded an app designed to spark creativity in writing and story-telling. Two of the first questions I read did just that. *"What could you do to totally disrupt your industry?"* Our industry? What is our industry, and how can we disrupt it?

The second question. *"What if you offered everything for free?"* Free? Can we do that? Would that even be possible? What impact would that have?

Watch the announcement from this year's Sonlife D•Conference here in Orlando where we announced our new **Two X Two** vision.

We're changing everything!

DISCIPLEMAKING RESOURCES

We've just finished writing and releasing a new free e-book, the *40 Days of Disciple-Making Journal*. This study looks at Jesus as our model for disciple-making and follows the *4 Chair Discipling* process for making and multiplying disciples. The printed version will be released this Fall, but the free e-book is available now at sonlife.com as part of our **Two X Two** vision. We also released three new disciple-making training resources at this year's D•Conference: ReVerb (a 3-4 day equipping experience), Leadership Multiplication (a 2 day training seminar), and Disciple-Making Coach.

Sonlife's 4 Chair Discipling book and training now available in Spanish & Hindi.

Thanks for your generous support, faithful prayers and timely encouragement of our ministry efforts with DHM. We could not do this without you.

BE•BUILD•BEGIN

SONLIFE'S DISCIPSE-MAKING PATHWAY

I was in Israel in 2015 with our Sonlife Leadership Team along with ministry leaders from across North America and around the world. There were almost two hundred of us from 53 different countries gathered together, and we were studying the BOLD MOVES of Jesus. At the end of our two weeks together, we were to share the bold moves we felt God was leading us to take as leaders.

Our Sonlife team had no idea just how significant that time would be. Coming out of Israel, we had articulated a clear pathway for accomplishing our vision.

BE a Disciple-Maker

BUILD a Disciple-Making Ministry

BEGIN a Disciple-Making Movement.

We've spent the past three years building out our BE•BUILD•BEGIN

Pathway with training and resources to equip and mobilize disciple-makers. We released our BE level training and resources at our D•Conference in Houston in 2016, our BUILD level training and resources at our D•Conference in Orlando in 2017, and our BEGIN level training and resources at our D•Conference this year.

To simply, effectively, visually communicate Sonlife's BE•BUILD•BEGIN Pathway, we shot three videos in Israel this past October.

Training 4 Chair Discipling in Orlando.

Coming out of this year's Disciple-Making Conference, a local church asked me to help them implement disciple-making. After training their leaders in 4 Chair Discipling in February, I went back in early April to train their congregation in evangelism. Their hunger to see God work in and through them to reach their community is inspiring!
