HAPPY HOLLIDAYS!

Jesus Loves the Little Ones

Open Door Haiti's orphanage is the home to 50 precious children. God miraculously provided after the tragic earthquake in 2010, with \$100,000 being raised in 100 days to build a home for the hopeless and helpless. These are "our kids," but more than that, they belong to one who has

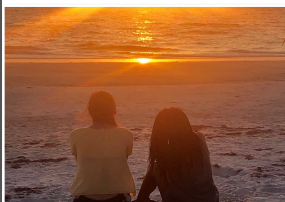

promised to be a Father to the fatherless. For as little as \$25 a month, friends from across the US are helping to provide hope and love for these amazing children. And imagine this... you can join me on a trip to Haiti and hug the precious child you're sponsoring!

His Faithful Love Endures Forever!

One of my favorite Psalms is Psalm 136, which recounts Israel's history line by line, with each line concluding with the phrase, "His faithful love endures forever!" It's a powerful reminder that no matter what life brings our way, joy or heartache, God's faithful love never fails.

Almost one year to the day after my father's passing, Mary-Faith went into the hospital over Memorial Day weekend for tests on seizure's she'd been having. Our hearts sank as the MRI revealed a brain tumor as the cause. After a long day of surgery on Memorial Day, the good news came back that the neurosurgeon was able to successfully remove the tumor and he didn't anticipate any impact on motor functions or mental faculties. Mary-Faith was out of the hospital four days later, a miracle. The tumor was cancerous, but it was contained and had been completely removed. Radiation would follow in August and September, and her post-treatment MRI showed no signs of cancer returning. Thankfully, the weekend before her surgery, Mary-Faith enjoyed a weekend birthday getaway to Clearwater Beach with Emma and Jennifer.

His Faithful Love Endures Forever!

In the midst of this tumultuous trial, there was much joy for our family to celebrate. Marisa graduated from Palm Beach Atlantic University, received a great job offer as Marketing and Events Coordinator at Peggy Adams Animal Shelter in West Palm Beach, and moved into a house with some friends from college.

His Faithful Love Endures Forever!

Emma and Analise both graduated from Seminole High School, with Emma receiving a full tuition scholarship

and beginning her studies in Pre-Pharmacy at the University of Florida while Analise headed off to Word Of Life Bible Institute to study Bible and Ministry. Both schools are a short two hour drive from home :)

His Faithful Love Endures Forever!

Jaclyn had the wonderful opportunity to be a part of a musical theater program in Italy over the Summer, and then stay on an travel through parts of Europe with her college roommate for a few weeks. How fun to see and experience Amsterdam, Budapest, Ljubljana, Vienna, Zurich, and more. What an amazing way to begin her Junior year of study in theatre at Long Island University.

His Faithful Love Endures Forever!

Analise and Maggie spent almost two months in Haiti over the Summer, helping with Open Door Haiti mission teams and spending time with family. Analise used much of the money she earned working at TJ Maxx to help build a house for her father and two older sisters.

His Faithful Love Endures Forever!

Jennifer and I celebrated our 27th year of marriage with a weekend getaway to Siesta Key and enjoyed a fun trip to the Smoky Mountains in Tennessee to see the beauty of Fall.

His Faithful Love Endures Forever!

The past year has seen ministry take me to Canada, Haiti, Belize, Israel, Switzerland, and across the US to proclaim Christ and equip leaders to make disciples as Jesus did. What a thrill to serve the Savior the angels joyously announced over two thousand years ago!

His Faithful Love Endures Forever!

Serving Christ together, Doug & Jennifer
